## COMMODORE'S MESSAGE

Dear Members,

It's good to see the large number of people utilizing the beach this summer. A special thanks should be given to the lifeguards for all their hard work in keeping the seaweed off the beach. We have been taking regular samples of the water quality and it has tested very good. I also hope everyone takes advantage of the arts & crafts program Jen has set up for the rest of the month.

The Luau party was great fun. The food and decorations were particularly good. One of the highlights of the evening was the grass skirt dance. Thanks to the social committee and everyone who participated and I hope we have a larger turnout at the next event.

I ask everyone to fill out their Vision Committee Questionnaire and turn them in by August 1. The information you provide will help in the decision making of the future.

Andy Bethune  
Commodore

## VISION COMMITTEE

Dear Members,

We were happy to see a number of new faces at our July Vision Committee meeting. We hope we'll see even more at our next meeting scheduled for Sept. 14.

At the last meeting we discussed noise levels at our dances & agreed that music should be kept at level where people can enjoy both conversation & music. Everyone attending also had the opportunity to make final additions and changes to the Vision Committee questionnaire, which we then sent out to all Lake Forest residents on July 19. As you all know the purpose of the questionnaire is to identify what members and potential members are looking for from LFYC. The questionnaire was undertaken at considerable time and some expense and can easily be completed in less than 3 minutes. (Of course, we welcome your

comments, of any length, if you wish to take the time to add them.) **PLEASE complete your questionnaire and return it to the LFYC office this week.**

Our next meeting is Sept. 14 at 8 pm at the LFYC Clubhouse. We invite everyone to attend.

Thank you,

Carole Bradley  
Vision Chairperson

## NURSERY SCHOOL NEWS

The Lake Forest Nursery School officers are busy planning for the new school year. Many exciting activities are planned for the children (we moms enjoy them, too!).

If anyone has any "Big Wheels" that you've outgrown and would like to donate to us, we would appreciate them.

Please continue to save Scott paper product's "Apple Seals". Last year, our school received \$29 worth of *Curious George* books for our library in return for apple seals. You may give them to any nursery school mom, mail them or drop them off at the club office.

Thank you!

Janet Pilewski  
LFNS Chairman

## OLIVER! INCLUDES LFYC MEMBERS

The Jefferson Community Players will present the musical *Oliver!* this month at the Jefferson Twp. High School. The cast will include Frank Diorio, Sr. as Mr. Brownlow, Lauren Diorio as one of Fagin's Gang, Lisa Greene and Erin Leach will perform as Orphans/Waifs.

*Oliver!* will be performed on Aug. 16th at 8 pm, Aug. 17th at 8 pm and Aug. 18 at 2 pm and 8 pm. Tickets are \$7/adults and children 12 and up, and seniors and 11 and under \$5. Tickets may be purchased from cast members or by calling 697-8108 or -3828.

## ENTERPRISING ENTREPRENEURS . . . businesses of Lake Forest

Without the tag line on Bob Williams' business card you might momentarily assume his business is in helping you get over mental blocks while playing Trivial Pursuit. But the DON'T BE STUMPED tag line is "Stump Grinding Service" so there's no confusion.

DON'T BE STUMPED specializes in taking out the stump after you've had a tree removed from your property. Bob's stump grinding machine chips your stump to a foot below the surface, leaving a space for you to backfill and seed. DON'T BE STUMPED saves you the trouble and mess of hiring a backhoe since Bob needs only enough access to bring in a pick-up and only the area of the stump is affected. For more information call Bob at 663-2299.

## **Tired of the same old solutions?**

- Solutions which create their own problems?
- Solutions which never work for long.

## **WE HAVE THE ANSWER**

At Lake Hopatcong Family Chiropractic you won't be given short term answers to long-standing problems. We know that recurring spinal problems require more than merely symptomatic relief. Therefore, we deal with your problem on a corrective basis. We spend the time to get to know you. We perform a detailed examination of your spine to evaluate its condition and function. Once we know what your problem is and how to correct it, we explain it to you in detail, in words you can understand. Correction involves an individualized program of spinal adjustments and rehabilitative exercises.

**YOU** decide your health goals - relief correction or preventive maintenance.

**YOU** determine how rapidly you get there - by your degree of participation.
