COMMODORE'S MESSAGE

Dear Members,

As summer fades into memory we can look back at a very positive summer for the club. The weather may not have been the greatest but we had fun jut the same.

Rain and drizzle couldn't dampen the spirits of the families who came out for the end of the summer bash on Labor Day. The burgers, dogs, and beer were plentiful along with many tantalizing home made dishes and desserts. Everyone had a chance to work it all off playing football, volleyball, horseshoes or even a bit of dancing with the DJ. All in all it was a great day and certainly has the makings of becoming an annual event.

This summer should long be remembered as one that saw the beach "come alive" once again. Hats off to Marilyn Agresto and her staff for creating a diversified program all summer long. Parents and children had plenty of activities to choose from and hopefully we can build on this success for the future.

Clean-up day is this Saturday the 12th so come down and pitch in as we put everything away for the season. There's plenty to do, your help will be appreciated.

And lastly, for those of you who like to plan ahead, YES, there will be a New Years Eve Party at the Club. Those crazy lunatics who put together last year's party are at it again! We should have full details for the next Porthole.

Paul Murray, Commodore

TOWNSHIP TIDBITS

Jefferson Highlights —Jeff. Twp Community TV—Sammons Ch. 3—Mondays at 7:30 p.m.

For the past eight years Jefferson Twp. residents could tune in on Mondays evenings

for updates on township events and event makers. Shows have included Santa's visit to the municipal bldg., the J.T.H.S. Homecoming football game, Victorian Christmas at the Riker Museum, dog obedience school, and a location remote taping of Jefferson Days since 1991. Shows ready to air are the Elvis Special and a Mayor Slayton Roast.

Jefferson Highlights will continue under the sponsorship of The Optimist Club of Jefferson with a little help from residents:

1) If you have an idea for an interesting program call Art Bonito at 663-1555 and discuss it with him.

2) Support the "Memories of Elvis Night" coming up on Sept. 19—it's the one big Optimist Club fundraiser this year to purchase and maintain equipment to keep *Jefferson Highlights* on the air. (More info...)

MEMORIES OF ELVIS NIGHT

See the Jefferson Twp. H.S. auditorium turned into Madison Square Garden: 50,000 watts of lighting, bombs, lasers—as Tony Grova, Elvis look-alike and sound-alike belts out such favorites as *My Way* and *American Trilogy*.

Preceding the performance The Optimist Club of Jefferson, sponsors of the event, will hold an Elvis Expo Fair from 1:00 to 7:30pm. Vendors will display and sell Elvis memorabilia and records. Purchase of a concert ticket includes free admission to the fair.

Elvis (Tony Grova) will perform at the Jeff. Twp. High School on Weldon Rd. on Saturday, Sept. 19 at 7:30 pm. Tickets are \$10. Send your check (payable to The Optimist Club of Jefferson) to Kate Cormier, 108 Schoolhouse Rd., Oak Ridge, NJ 07438. You may call 697-5506 for information.

LFYC TRUSTEES MEETING MINUTES

Aug. 11, 1992

(Minutes are synopsisized, For a complete copy, please see Margaret at the LFYC office.)

FINANCIAL Estimated budget for '92-'93 was reviewed & accepted. Very little change from '91-'92, with exception of property tax line, and funds needed for dredging, & possible clubhouse improvements. Total expected is \$107,000. No dues increase planned.

INSURANCE Coverage and costs were reviewed with additional carriers. Insurance audit will be done before decision is made.

MAINTENANCE Fall Clean-Up Day Sept. 12. Need to take in swim curtain, perform repair to catwalk, not much else because lifeguards & rec. dir. did a lot.

DREDGING Area around diving platform has filled in about 2-3 ft. since '81 dredging. With this year's 5 yr. drawdown of lake this will be performed this fall. Permit ap. and contractor have been contacted.

BEACH Discussion on appropo thanks to lifeguard staff for great job they did this year—Marilyn Agresto will be consulted.

SWIM TEAM Team will ask LFYC members who are on swim team to park in main lot during team functions as courtesy to ensure ready access for B & C dock renters. Team placed 2nd in league for '92 season.

• Trustees present: Murray, Drummond, Conk Garland, Sorensen, Moore. Next Mtg. 9/8.

Bring your back to a Chiropractor . . . before your back brings you.

Many people discover Chiropractic the hard way — when they are in severe pain and in need of immediate relief.

Pains in the back, neck, arms, shoulders, and legs are often caused by "subluxations" (vertebral misalignments).

But subluxations can also cause problems that may not result in immediate pain. By irritating nerves, they can diminish the nerve supply that flows to all the major organs of your body.

And without a full nerve supply, your body is susceptible to illness and disease.

Fortunately, many people today are discovering that an ounce of Chiropractic

prevention is worth more than a pound of cure.

Chiropractic adjustments correct subluxations and keep your nerve energy flowing freely, helping to prevent pain, illness and disease from occurring in the first place.

That's why you'll find lots of people in Chiropractors' offices these days without even the slightest back pain. They've discovered this safe, natural, drug-free method of getting well and staying well.

So don't wait for a backache to bring you to a Chiropractor.

Call our office today and arrange for a special introductory consultation.
