Commodore's Message

Dear Members,

The month of March is upon us and although it came in like a lamb I'm still hopeful it will go out like a lamb!

With the warm weather fast approaching, it will be a lot easier for a lot of us to begin thinking about the exciting construction projects that are about to unfold. The Trustees have approved the basic concept for the new roof on our clubhouse. When the detail drawings are completed by the architect we will then be ready to go for bids and start the work.

I would like to commend the various committees that have been working very hard on our behalf. It's been a job well done, but a job that is far from complete. A lot of work lies ahead for the committees and the project teams, and we wish them well.

There are a few important items to remember in the next few months and they are:

May 16th - Semi Annual Meeting

May 17th - Clean Up Weekend

May 18th - Rain Date for Cleanup

Till next time, have a wonderful first day of Spring.

George Mills
Commodore

The resourcefulness of the Nursery School Executive Committee this year cannot go unrecognized. They were forced to this by two major factors:

1. The loss of the Regatta as their major fund raiser (\$1,100 profit in 1984)
2. The drastic increase in insurance premiums due to the scandalous child abuse cases in day care centers

Now to come up with a way, or ways, to offset these two adversities:

1. Run the Family Picnic, Aug. 1985 Net Result - \$212
2. Run a garage sale, Oct. 1985 Net Result - \$200
3. Have a "Lunch With Santa", Dec. 1985 Net Result - \$ 70
4. Hold a microwave cooking class, Jan. 1986 Net Result - \$132
5. Raise the tuition and still remain competitive with non-cooperative day care/nursery schools

And then the big one. Have a Valentine's Day Pot Luck Dinner Dance for all past&present nursery school families and for any club member who wanted to attend. Hire a "DJ" from a local radio station, contribute something towards the Pot Luck Dinner, and help support the school which our children have or are attending. But of course, the toilet facilities did not want to cooperate when the three week old sewage pump motor burned out the day prior to the event and could not be repaired in time.

Solution: Rent a Port-O-John!!*
Net Result Valentine's Dance - Minus \$40

The dance, decoration, and food was a success for all who attended (19 couples including 5 couples representing former nursery school families). And there was a lighter side to the Port-O-John with an occasional round of applause for a returning patron.

The point is, the school is asking for our support by promoting these various functions, not by just asking for our money. And, we all like to know when we are doing a good job. WELL DONE NURSERY SCHOOL!!

Pete Gellas

*The Trustees approved reimbursement of the Port-O-John.

SUPERBOWL SUNDAY

The LFYC Superbowl Extravaganza turned out to be another success in spite of the fact that the game itself was not up to it's usual standards. Only 25 people, members and guests, attended, and everyone agreed that it was "the bargain of the year". Once again, we had great steaks, cooked to mouth-watering perfection by Tom Donnelly, with all the "fixins", and at half-time, we had meatball hero sandwiches, cooked up by Rudy Shaberick, chef extraordinaire.

The contest for two free tickets enticed only one participant, Joe Conk, who correctly selected one of the teams (Chicago). Next year we will try to have a more imaginative contest, earlier in the football season.

It is our expectation to get more members attending than we do. In previous years we had as many as 75 people coming out to watch the game, eat, play cards, games, or to just socialize. If we get that number again, we could rent a large screen TV. Please feel free to talk to Phil or Kal throughout the year to tell us why you do or do not attend, how we can improve the event, or just learn more about it. Our goal is to fill the club. We like to work, we have great help, but we would rather run the event for 100 people than 25.

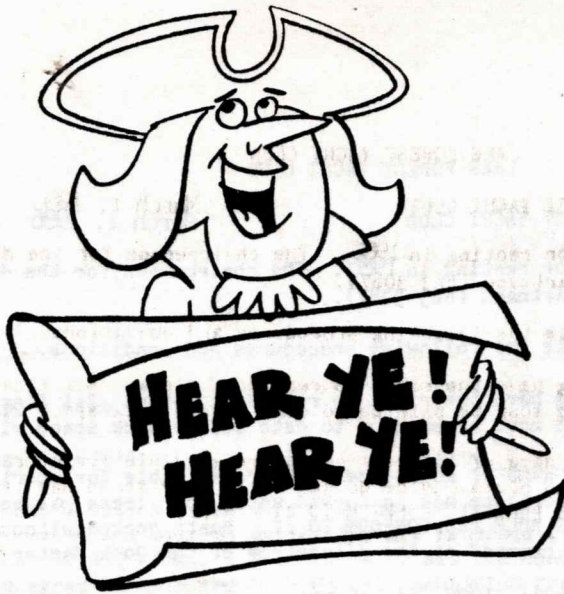

Special thanks to Tom Donnelly and Rudy Shaberick, who keep "coming through", year after year.

Respectfully,
Phil and Kal

Liz Moore - that little fish who is always in the water at the Lake Forest Beach each summer, has developed into a good swimmer from her Lake Forest experiences.

From September to the end of February Liz became a member of the Winter Girls Competitive swimming team at the West Morris "Y". She became a front runner in the girls 8 years old and under team, developing herself into a top butterfly swimmer in the 25 meter event. Liz went undefeated against the other "Y" girls swim teams from Toms River to Ridgewood for a 9-0 record.

The "Y" Girls Championship was held Sunday, February 23rd at the Mountain Lakes "Y". Liz placed 1st, winning a gold medal in the 25 meter butterfly event against 12 other 8 year olds from 5 other "Y" teams. Her winning time was 20.33 sec. She also gathered 3 other medals for placing in other events for a total of 4 that day. This was Liz's first year of competition and she certainly can look back on it with pride.

CONGRATULATIONS, LIZ!
