COMMODORE'S MESSAGE

Dear Members,

Was that a touch of spring on Sunday or what? Sixty degrees in February and it felt great! Seeing as we tend to hibernate all winter, it was nice to see so many of you out and about enjoying the good weather. Pitcher and catchers have reported to baseball camp so spring can't be far behind.

Thanks to the Nursery School we now have a fire alarm system in the Clubhouse. This will provide an extra measure of safety for the children and the Club as well.

I understand that the annual tennis outing is scheduled for early April, detail to follow. Several people have inquired about a summer dance at the Club. It's a great idea but we need volunteers to put it together. Anyone interested should contact Ginny Conk or Margaret at the office.

JEFFERSON PLAYERS SEEKS DIRECTOR

The community theater group known as the Jefferson Community Players is presently accepting resumes for a director for their upcoming summer musical production. Scripts are presently under review by the Players for a musical to be presented the weekends of August 14 & August 22 in Jefferson Township.

Anyone interested in applying for the director's position, may send their resume to the Players in care of Mrs. Maureen Peck, 35

Summit Rd, Oak Ridge 07438. The Bd of Directors will review all resumes submitted upon receipt. If you would like additional information, you may call Mrs. Peck at 697-5259.

WEST POINT CONCERT BAND PERFORMS

Mark your calendar for Friday, March 13. The Jefferson Arts Committee has arranged for the U.S. Military Academy Band to perform in concert at 8 pm in the auditorium of Jefferson Township High School on Weldon Road. The concert is free; seating will be on a first-come, first-served basis.

A descendant of the small *Bank of Musick* assembled at West Point in 1815, the Concert Band is the largest component of today's U.S. Military Academy Band. It has grown from the original modest 17-piece military band to today's 51-member symphonic concert band.

(When the band performed in Jefferson several years ago all 666 seats in the H.S. auditorium were taken, so don't dally!)

LFYC TRUSTEES MEETING MINUTES

February 18, 1991

(Minutes are synopsized, For a complete copy, please see Margaret at the LFYC office.)

NURSERY SCHOOL LFNS Chair Betty Peters reported that the fire alarm system is fully installed & all phone lines connected. She distributed a copy of the systems info packet & the roster of names for contact when Fire Co. receives an alarm. It was requested that Club pay for phone lines during months school is not in session, approx. \$26/month, which was agreed to by Trustees.

BOAT SHOW Trustee Pete Garland reported that Ed Ross had approached him about allowing a boat show to be run at LFYC. Steve DeFeo of DeFeo's Cove Marine & Marine Promotions, Inc. spoke to the Trustees. Mr. DeFeo said Marine Promotions would set up, obtain dealers, get \$1 million liability insurance and advertise the show. Club could set up a food concession. Clubhouse would be used for vendors (booths of 10 x 8) would be set up inside & rented for weekend. Set up would begin Friday, show would run Saturday & Sunday. B & C docks and parking area would be used for boat display. Admission would be \$3/adults, children free. Date set at May 1, 2 & 3. Mr. De Feo needs immediate approval since he needs at least 6 weeks for advertising and dealers to be lined up. No financial outlay by Club for this, unless it decides to run food concession. Porta-Johns would be brought in, parking may be a problem, but parking could be done at Pathmark with shuttle buses bringing in attendees. After guests left Trustees opened discussion. Some of concerns were that this is quite a large show; that if Club runs concession and weather is bad Club will take a loss; that no beer should be allowed; that people who are not club members or boat enthusiasts may unhappy about crowded streets & parking "all over the place". A suggestion was made that nursery school and swim team may want to do concessions as fundraisers; that promoters put up a performance bond so we are not left with mess to clean up. A motion was made and seconded to accept the tentative proposal with Peter Garland and Ron Sorensen negotiating for the Club. No beer will be allowed. A bond must be posted. There will be no involvement by the Club if Nursery School and/or Swim Team do not want to participate.

BEACH Commodore Paul Murray reported that he, Harry Moore & Ron Sorensen met to discuss the position of recreation director for '92. The application received last month from Marilyn Agresto was reviewed. A notice that LFYC is seeking a recreation director for '92 was sent to Red Cross & YMCA so that the committee has more than one application to review.

• Galley restrooms were looked at by Jim McGraw who will submit a proposal at a future date.

- Special Trustees Meeting will be scheduled to go over bids.

DOCKS Club Admin. Asst. Margaret Dam reported that members had questioned leasing rules: since leasing rules require membership dues be paid up by lease date of Feb. 15, but this is a jump forward from previous requirement that dues be paid before badges are picked up April 15, members suggest relief from full payment of either docks or dues by Feb. 15. Trustees agreed to allow half of dues payment at time of full dock rental payment.

MASTER LEASE Trustee Bob Drummond pointed out that a Lk. Forest property which had an outstanding Master Lease balance was recently foreclosed on. When questioned about Club status Club Atty Ann Huber reported that if balance was not included in writ of execution Club would lose the money. (However the deed restriction will remain after foreclosure.) To protect Club in the future, it was proposed that legally filed liens be placed on the properties in arrears. The cost per property would be a \$20-25 filing fee and \$50 attorney fee. Margaret prepared a list of the outstanding balances.

Bring your back to a Chiropractor . . . before your back brings you.

Many people discover Chiropractic the hard way — when they are in severe pain and in need of immediate relief.

Pains in the back, neck, arms, shoulders, and legs are often caused by "subluxations" (vertebral misalignments).

But subluxations can also cause problems that may not result in immediate pain. By irritating nerves, they can diminish the nerve supply that flows to all the major organs of your body.

And without a full nerve supply, your body is susceptible to illness and disease.

Fortunately, many people today are discovering that an ounce of Chiropractic

prevention is worth more than a pound of cure.

Chiropractic adjustments correct subluxations and keep your nerve energy flowing freely, helping to prevent pain, illness and disease from occurring in the first place.

That's why you'll find lots of people in Chiropractors' offices these days without even the slightest back pain. They've discovered this safe, natural, drug-free method of getting well and staying well.

So don't wait for a backache to bring you to a Chiropractor. Call our office today and arrange for a special introductory consultation.

On Saturday, Feb. 20, the Jefferson Township Wrestling Team won its first State Championship. Three Lake Forest youths are an important part of this year's undefeated team (19-0), brothers Josh and Jeremy Bailer, and Dave Hughes. Their combined record is 74-4.

Josh, a junior, (at right) has been a varsity wrestler all 3 of his high school years. Last year he was a district champ and a regional runner-up at 130 lbs. He finished in the top 16 in the state tournament. This year he is wrestling 152 and 160 and his record is 25-1.

Jeremy, a sophomore, (at left) has been a varsity wrestler both years. He has taken over his brother's weight class, 130 lbs., this season. Jeremy's record this year is 24-2.

Dave, a freshman is a tremendous addition to the varsity squad. He began the season wrestling 140 lbs. and is now at 135. Dave's record is 25-1.

All 3 boys will be wrestling in the districts, regions, and hopefully, state tournaments over the next few weeks.

SWIM TEAM SNIPS

Lake Forest's winningest coach — Marilyn Agresto — will be back for the '92 season and is already well into planning, with the team's executive board, pre-season and season practices and clinics.

The executive board has been hard at work preparing a budget, reviewing fundraising needs and options, and planning the pre-season set up of the facility and swimmers.

Five practice nights at the YMCA have been arranged in May and June, and a "wet-down" of the new lane lines and their installation along with the floating swim dock is being planned for mid-June. This year team registration has been planned on an evening separate from swimming/practice/parents meeting: Sun., April 26 at LFYC.

See the April Porthole for more about LFST.
