## Commodore's Message

Dear LFYC Members,

Any member who's been down to the Club recently has savoured the promise of lazy summer days on the Beach and the opportunity to rekindle friendships which wane over the winter.

Enjoying all of LFYC's outdoor facilities offers even more satisfaction when a member can take a leisurely look around at the ship-shape properties and know that his or her participation in the CLUB SPRING CLEAN-UP DAY helped bring it back up to it's best.

So that all may enjoy all will be able to help at this year's CLEAN-UP DAY. Either through the volunteering of an hour of work by a LFYC Member per household on May 18 or \$10.00 paid by that household we'll all earn our piece of satisfaction this year.

When you arrive on Saturday please register at the check-in table so that an accurate accounting of each household's time can be documented and jobs assigned. While children are welcome to come with their parents, under 18 year olds may not be used to work-off a member household's maintenance obligation. Hot dogs and snacks will be provided for all hard-working LFYC CLEAN-UP DAY participants.

Activity on the LFYC-owned Yacht Club Drive property has been brisk, to say the least, since it was offered for sale last month. An acceptable offer has been made which the Trustees are working through preliminary negotiations.

As of Memorial Day Weekend a security guard will be on full-time duty at LFYC. As in previous years a major part of his responsibility will be to check that anyone entering Club property has on a valid LFYC badge and all motorized a sticker. Both are obtainable from Margaret Dam at the office during regular business hours.

*continued*

MESSAGE CONTINUED.

Before we see you Saturday we hope we'll see you Friday night at the SEMI-ANNUAL MEETING. As you know the main order of business will be the presentation of the findings of the Multi-Year Planning Committee. This committee was formed at last December's annual meeting when the need for an overall identification of needs for our on-going program of rehabilitation and renovation of the LFYC physical plant and a means of financing it was addressed. This committee, which put a tremendous amount of time and effort into their project, has put together a comprehensive project plan and financial proposal which will be put to a vote of the general membership at the meeting. Your attendance at the meeting will insure that your opinions are heard during discussion of the proposal. Don't miss it! Of course, to slake your thirst and keep you fortified throughout the meeting wine and cheese and coffee will served.

See you Friday and Saturday.

Marlene Genaud  
Commodore

SUMMER - JUNE  
KICK-OFF  
DANCE 29

Lake Forest Yacht Club  
1985 Recreation Schedule

After a long winter, I hope enthusiasm for a little fun at the beach and at some planned activities will be running high. The beach activities will include swimming lessons and Lifesaving courses. Along with this will be soccer, football and street hockey. We will also have some special activities such as our annual canoe trip, cartoons for the youngsters, a trip to Shea Stadium, a day at Shawnee Play Park and our first fishing contest. Some of our activities are arranged with family in mind and I hope you will take advantage of them.
