March 2006

Commodore's Message

Hi Members,

Might as well un-mark those calendars for May 6th and 7th, the boat racing association was not able to get enough sponsors. I am sure many of us were looking forward to that weekend.

Let's "welcome aboard" our new office manager Jennifer Nielson. Jennifer, who started on February 4, is doing a great job. Please note the new office hours that are posted on the board. The new hours are expected to serve our community more efficiently and effectively.

Make sure you put the St. Patrick's Day Dinner on your calendar for Sunday, March 19th. I don't know about you but, I can't get enough corned beef. Also, keep your eyes open for the ballroom dancing classes at the club. I have been directed to go, by a higher authority (my kids call her mom). I don't know why she wants me to go, maybe so her toes won't hurt as much. But anyway, I know I can sure use the lessons. Who knows maybe we can do a Lake Forest version of "Dancing with the Stars" or in this case "Trustees". (I better stop before someone puts me up there at comedy night).

Looks like this winter got the best of the club. We are starting to get more roof leaks. The trustees jumped right on this and received a quote for the repair. We are soliciting other quotes to repair and/or replace the roof. Here is one of those surprise expenses that we were anticipating. Look for a more detailed report within the February's Trustee meeting minutes.

Lake Forest has a new website at www.lfyc.org. Check it out. It will be updated with the latest news and events every month. It looks really great and hopefully it will be utilized as our latest tool to get information out to the membership. I already looked at the previous issue of our new porthole on the website.

Winter is on its way out, but I still think we can expect some ice cold days in the near future. Seems like winter just started. Hopefully, we can get a few more days in of winter fun before the Spring arrives.

Hope to see all of you at the St. Patty's Day Dinner.

Your Commodore
Fred Stewart

New NJ Boating Regulation Takes Effect June 1st

As the state's crowded waterways gave rise to more accidents and close calls, lawmakers decided to make safety education mandatory for nearly all recreational boaters. A new law that takes effect in June will require anyone who operates a power vessel to take an eight-hour safety course and pass a test to prove that they know the rules of the water. Experienced boaters will be given a one-time chance to pass a written test that will exempt them from the course. If they fail, they have to take the course.

(Continued on page 10)

Lake Forest Facilities Update by Frank Gutowski

As we are almost through with the winter months, we are preparing for the new season which is coming upon us rather quickly. Here is an update on our club:

2006 Boat Races Cancelled

Unfortunately, the planned Power Boat Races on May 6th & 7th had to be cancelled. We received word from the American Power Boat Association (APBA) that they were unable to obtain enough sponsorship to facilitate the race. The APBA will be working on securing sponsorship for a spring 2007 race at Lake Forest.

Although the races were cancelled, we will have a busy weekend at the club on May 5th & 6th. Friday May 5th will be the LFYC semi-annual meeting and on Saturday, May

6th will have a Texas Hold'em night at the club. See the details in this month's social pages.

New LFYC Office Manager & New Office Hours

We have hired Jennifer Nielsen as our new office manager, replacing Susan Bilyk who resigned effective January 28th. We reopened the office on February 9th with Jennifer handling the office responsibilities. Jennifer has an Associates Degree in Business Management and has adapted very well to the office procedures and computer system. We are very pleased to have her working with us at the club.

We also have changed the office hours from morning hours to evening hours on weekdays. Office hours are now 5:30 PM to 8:30 PM on Tuesday and Thursday evenings. We also

have extended Saturday hours which are now 9 AM to 1 PM.

Lake Forest Website

Our new website www.lfyc.org is now available for our members to access information on our club. We have been working on this site for the past 60 days and will continue to be updating it with more information for our club members. Some of the areas are still under construction as we continue to add content, so please be patient as we continue to update it. Our web designer is Tony D'Alauro, who is also a new Lake Forest resident and club member. We are all very thankful to Tony for helping us with this project and building the site for the club. Look for more details on our new website in a separate article in this Porthole.

House Chairperson and Club Rentals

After many years as our House Chairperson in charge of club rentals, Grace Bacorn, recently relinquished that role which she has served our community so well for many years. Grace has relocated outside of our community which is why she has given up the House responsibilities. The LFYC board and club members would like to thank Grace for her many years volunteering as House Chairperson and the service she provided our community. We wish her all the best.

Donna Combos has agreed to fill the role as House Chairperson for our community. She has the club rental book and can help you book your private function. At \$150 per rental,

(Continued from page 2)

our clubhouse is still the best deal in the area, with the best view, to host your private function. Club rental contact information is on page 2 of the Porthole. We thank Donna for taking on the responsibility for rentals.

Clubhouse Roof Leak

We have received two quotes for repair of the Clubhouse roof. The Trustees will evaluate those estimates as well as additional estimates at the March trustee meeting.

2006 Dock Rentals and Renewals

March 15th is the deadline for members who would like to renew their boat slip this season. We already have a half dozen members requesting available dock slips for the 2006 season, as well as about one dozen non-members waiting for us to release available slips on April 1st. We expect the dock slips to be sold out shortly after April 1st. See the updated 2006 Dock Rental article in this month's Porthole for more details.

Goose Control for the Upcoming Season

The goose feces problem at the beach and grassy areas continue to be a problem for us and some of the efforts we have tried in the past have been ineffective. While my recommended solution of fencing some of our areas to prevent the geese from coming in from the lake has not received strong support from the membership, I have not

given up the battle to reclaim our facility from the geese.

This season we will try a new product called **Goose Stopper** which will be sprayed on the grassy areas and dock areas. The spray is not a chemical but rather a combination of natural products that the geese hate the taste of and the feel of when they walk on treated areas. The application will be sprayed once every three weeks. We will purchase a 5 gallon concentrate which we believe will give us 3 to 4 months of treatment. We will start the first application in April and see how it performs.

Spring Beach Clean-up: April 29th

Please mark April 29th on your calendar for our annual Spring Beach Clean-up (with a rain date of April 30th). As usually we will have many projects that will need to be tended to in order to prepare our club for the 2006 season. In addition to the installation of the catwalks, swim curtains and diving platforms, we'll also have some minor repairs and painting that will need to be done. We'll need a large turnout of members to help with the cleanup, so please come down and help us get the club ready for the summer. Of course we will provide coffee, doughnuts and bagels in the morning and pizza and beverages for lunch. In the April Porthole, I'll provide complete details as to the projects for Beach Clean-up Day.

ART LESSONS

Drawing : Painting
By Sue Miller
Professional Artist /Teacher

Sue's work is presently popping up everywhere and being published in fantasy art books, fantasy book covers, magazines, magazine covers, post cards, gift plates, prints, cross stitch designs and more. Sue is now licensing her artwork with International Illustrator, Blue Moon Stones and Heaven and Earth Designs.

Lake Forest Nursery School News

The Lake Forest Nursery School started the month of February with a class trip to Giggles. It was a good place for the children to blow off some of their winter steam.

Both the AM and PM classes celebrated Valentine's Day with a class party. Thank you to Fran Capraun and Aileen Cobb for organizing the parties, as well as the crafts, and games. Both classes also learned about President's Day. This month's visit, from a dental hygienist, taught the children how to take care of their teeth and keep them healthy.

The AM class learned about the number 7, the heart shape, and the color, purple. Concepts were reinforced with an appropriate craft and worksheet, as well as a story or two. They are also continuing to work on tracing their names and spelling them out loud when called on.

The PM class is busy preparing for Kindergarten. They reviewed the letters P, Q, and R, numbers 6 and 7, color purple, and heart shape. They are continuing to practice writing their first and last names, and memorizing their address and telephone numbers.

The nursery school is holding a fundraiser at Camp Iliff on March 12th from 3 to 5 p.m. The cost of admission is \$10 for each child, adults are free. Camp Iliff offers a 24 foot high rock climbing wall, a 5 level indoor playground, roller rink & roller racer rink, a mini movie theater, arcade games, toddler town, air bounce, and snack bar. Anyone is welcome to participate and join us for some indoor fun. If you are interested in attending, or have any questions, please contact Susan Heys at (973)601-7048.

Lake Forest Nursery School Field Trip to Giggles

Lake Forest Cooperative Nursery School

OPEN HOUSE & 2006 REGISTRATION

The Lake Forest Cooperative Nursery School is having their *September 2006 Open House & Registration*. It will take place on Monday, March 13, 2006 @ 6:30 PM at The Lake Forest Yacht Club. Come visit our school, meet our staff and learn about the unique experience we offer to 3 & 4 year olds and their parents. Our school is open to non-members and members of the Lake Forest community. Classes meet at the Lake Forest Yacht Club (on Yacht Club Drive off Rt.181). Don't delay; space is limited in both the AM and PM classes.

For more information, please call Alyson Music at 973-601-7422.

Announcing the Launch of the New Lake Forest Website

www.lfyc.org

by Frank Gutowski

We have our new website launched and we are working on populating it with club related information for members access. Currently on the site you will find:

- Club and Trustee contact information as well as an e-mail link for any trustee.
- Club office information as well as our new office e-mail: office@lfyc.org
- Porthole advertising information as well as downloadable, color versions of our monthly Porthole
- Dock rental information and downloadable rental agreements
- Upcoming Social events

This is only a start for we have many more plans to provide additional information resources for the club members. Some areas of the site are still under construction as we add more features such as:

- Club History, Membership and club By-law information
- Nursery School information
- Beach operations
- Social events calendar and photos
- Club Rental policies and rental calendar

This website is going to be a resource for our community to stay informed and have access to important information and documents for our club. Please take a look at our new website and send us your comments as to how you like it and what you'd

Trustee Meeting Minutes, February 2006

2/9/06: Meeting called to order, 7:20pm

Trustees present:

Patrick Brennan, Chuck Emery, Frank Gutowski, Pete Maniscalco

Trustees not present:

Tom Preston, Fred Stewart, Augie Wistner

Trustee Updates

Pat:

Website project update

Web host determined (Startlogic) and 1 year agreement signed. Contract drafted and agreed to between the LFYC and Webmaster Tony D'Alauro. Draft Website created and available via both lfyc.org and lakeforestyachtclub.org. Personal and generic email created for all @lfyc.org, forwards where applicable Office PC setup to connect to Office@lfyc.org via Outlook. Working towards a 3/1 "go-live" of the website with announcement in the Porthole. Meeting with Tony and Frank on Saturday, 2/11 to discuss content changes etc. Completed of converting office from Cable to DSL

Office

Cleanup/organization

Working on pricing shelving and determining approach

Chuck:

Transition Secretary duties to Pat Brennan update

Ongoing, priority is to train the new Office Manager

Office update

Jennifer Nielson interviewed/offered and accepted Office Manager job, new agreeable office hours determined and posted. She to start on Saturday, 2/4. Training ongoing,

progressing well.

Fred would like a social budget breakdown for 06, to provide social committee

Provided Augie with information for ordering new badges and hang tags for delivery end of April.

Suggested changing check signing reducing to one signature per check and regular audits and bank reconciliation to be performed by Treasurer. Signing priv's would fall on commadore and secretary, not office manager. Tabled discussion until we bring it up for vote.

Chuck suggested putting low voltage lights on B and C dock. Frank to research costs etc. Chuck asked about lowering the wattage of B and C dock lighting. Frank to call JCPL.

Frank:

Galley overhang update - Pete handling.

A dock repair and/or partial replacement update

Awaiting AAA dock repair to give estimate for repair

Porthole update

February edition half the cost of January edition; 15 advertisers

Facilities update

No activity this period

Boat race contract

Cancelled, Association unable to procure sponsorship for races, possibly will resume May of 2007.

Status of goose spray

Awaiting spring for application.

Ball Field Update

Spring initiative

Frank requested Pete contact LFNS for volunteers to assist with Easter Egg hunt on 4/8. With the departure of Grace

Bacorn, Donna Combos graciously accepted this responsibility. We need to notify the membership of this change via the Porthole.

Pat is looking for a way to publicly display the status of the club on the web site.

Cleanup day 4/29. Semi Annual meeting Friday 5/5.

Recommended office lighting options since transferred to night hours. To pursue quotes.

Pete:

HVAC replacement update

Met with 2nd HVAC guy to review on 2/9. Notified Board of options provided, awaiting quotes.

Insurance update

Notorized claim letter complete and will be mailed 2/10.

LFNS contract update

Progressing, contract will include cola annually.

By Law Changes / Committee

No activity this period

Roof Update

Jeff Phillips contacted Pete, provided a quote on 2/9.

Club House and Office, stripped to sheathing, repair sheathing, ice shield, 30lb felt paper, 69 sq 35year shingles, Flashings \$12,500 removal. May begin after 2/15.

Re-roof the clubhouse, 2nd layer, doesn't recommend. Office needs to be stripped, re roofing not an option. \$6500. Recommendation to get another quote in order to have a sanity check.

Galley Update

Roof repair, new pressure treated plywood (due to flat

ness) and header, replace lolly columns, install ice shield. \$5000 - \$6000 (worse case scenario assuming sheathing is bad). Will obtain a second quote.

Pete has a contact that may be able to obtain telephone poles

2006 Season Dock Rentals: Deadline 3/15/06

As we get closer to the start of the boating season, we want to remind all members who rented slips in 2005 that the March 15th dock slip renewal deadline is approaching. We expect to be sold out again this year for we already have six new member dock slip rental requests and about a dozen non-members who want to rent a slip from us this season.

The 2006 dock rental fee for members is \$410.00. To renew for the 2006 season, please return the completed and signed rental agreement along with a copy of your boat registration and payment by March 15th 2006. Also, please indicate if there is any repair issue that needs to be tended to regarding your slip.

If you have no intention to renew your dock slip for the 2006 season, please contact the LFYC office so that we may reassign the slip to another member.

After March 18th, we will assign the new member rental slips and open up available slips to members who want to rent a 2nd slip.

On April 1st, all remaining open dock slips will be made available to non-members at a rental fee of \$1,000.

Any questions/comments regarding 2006 dock rentals should be addressed to LFYC Dock Master: Frank Gutowski at 663-2059.

New NJ Boating Regs

(Continued from page 1)

The law, which former Gov. Richard Codey signed in January, staggers compliance over the next three years. Boaters born in 1969 or later will need to be certified first, by June 1.

The new law does not apply to commercial boaters because they already take tests to obtain their licenses. It also does not apply to out-of state boaters 18 and older who operate a vessel for fewer than 30 days in New Jersey if they can show proof of similar education from the National Association of State Boating Law Administrators, the U.S. Coast Guard, or another state.

Under the new law, those born after Dec. 31, 1968, will have to take the eight-hour course immediately to be in compliance by June 1. Those born between Dec. 31, 1958, and Dec. 31, 1968, will have until June 1, 2007, to take the course, and those born between Dec. 31, 1948, and Dec. 31, 1958, will have until June 1, 2008. All others will have to take the course before June 1, 2009.

The New Jersey State Police, who will administer the tests, have not yet determined the definition of "experienced" or what will be included on the test. The new regulations also require owners of personal watercraft to complete the educational course before operating the machine. (Information sourced from Star Ledger article on nj.com)

New LFYC Website

(Continued from page 7)

like us to add or change to make it more valuable to our community. Please send all comments to our office e-mail: office@lfyc.org under the subject heading "new website".

We'd also like to recognize our website developer, Tony D'Alauro, who has worked with us on building the site. Tony is a new Lake Forest resident and club member who has shown great enthusiasm in building our website. Thank you for all the time and effort you have dedicated to this project.

Sick of Dentures?

They Actually Make You Sick!!!

**“Studies show that dentures cause you more damage than Good!
A Local Dentist will provide you with brochures on what causes these problems and
how to stop being part of the Denture Epidemic!”**

New Jersey. A local dentist has studied the effects of dentures on your everyday health. It has been Proven that Regular Dentures not only cause more bone loss leading to a worse fit, but can cause stomach and nerve problems.

All Denture wearers talk about the embarrassment of wearing adhesives, the smell, loosening, falling out, making you gag.

In the past doctors have told people that there was no help or nothing they could do.

The advancements in dentistry allow you to have a life without the hassles of dentures and the freedom to eat virtually anything you wish.

It is time to get healthier, get rid of embarrassment and eat normally again.

Why waste another dime on that old denture or buying another one with the same problems?

Call and get the Free information, no obligation.

Please call for a complimentary evaluation and brochure:
