## *Commodore's Message*

DEAR MEMBERS:

You will all be happy to know that this is my last message. If you think reading them has been torture, you should try writing them.

I'd like to begin by thanking all the trustees, committee chair-people and committee members who served this year. This has not been an easy year and we didn't accomplish the two objectives we set last December.

We did increase membership but we didn't get the roof completed. Hopefully, that can be accomplished next year.

The annual meeting will be December 4 and the New Year's Dance will be December 31.

I hope you'll all attend the New Year's Eve Dance and the annual meeting.

Thank you everyone for your support.

LAKE FOREST "FUN RUN" 1987

Last July 25th, Saturday, 10:00 am, the weather was very hot. However, 26 adults and kids from 5 yrs. to over 40 range participated in the first Lake Forest "Fun Run". 1 mile course for kids and a 3 mile course for teenagers and adults around our community. Some people who did not run helped out with water stations for the kids and safety patrols for the smaller kids along with the help of the Jefferson Twsp. police department providing vehicles for the safety of everyone. Jim Leach was a big help in making arrangements. Diane Faruolo, Jane Leach and George Mills also assisted.

Again on October 24th, Sunday, 11:30 am, we had 21 more participants in the fall version. The course was the same for the second event and some times were improved on by some kids and adults. But the important thing was Lake Forest's "finest" kids had fun in competing and walked away as winners as their moms and dads watched with pride.

Ken Green and Tom Faruolo competed fiercely during the 2 events, Tom Lynch paced his son who was also a winner in his category. Bill Leach and Randy Leach also accepted awards in their respective areas for a father/son placing combo, while Tom Faruolo and Erika Faruolo did the same in the father/daughter class (what ever happened to the Moms?)

Looking back on those 2 days, the kids really did a job running. Remember Robyn Faruolo's little legs going like a little "dynamo" on that 1 mile course? David Jervasi winning another trophy? Little Tom Leach running faster when he saw his father's police car coming behind him. Red-face Heather Hutchinson being the "best" she can be with that total effort. The Osser kids giving a great effort. Greg Postal giving another great effort in the July event and Alex Genau with the best over-all time in October.

How about Tom Sinclair (Oct. run) representing Lake Forest and the U. S. Army in that distinguished over "40" group. He gave that 3 mile course some hard pounding with a 25 minute mark averaging a little over 8 minute miles. While we cannot mention everyone, take a look at the times that were made in the event. Can you best them?? Think about it - current plans look like a semi-annual event - with one in May and one in September.

FUN RUN continued

AGAIN, WHERE ARE THE MOMS?

Run with the kids and have som fun, like some of the Dads.

The best part of the July event was that it was video taped! We have captured some of the kids effort and expressions while running, they're "priceless", those who have seen the tape know what we mean!

Every kid in Lake Forest can be a winner, and that's what we did with the trophies and prizes for all who competed. Its fun first, healthy and rewarding. Kids and adults give it a try in the spring if you think you can beast the times in each category. Even if you can't beat the times, see how your own personal time compares. Lake Forest is a scenic community, spring or fall, so if your walking or "fun"-running see it from the road.

REGULAR TRUSTEE MEETING

NOVEMBER 3, 1987

SWIM TEAM

Diane Faruolo and Greg Plifka came to the board with a presentation and the forming of a swim team for Lake Forest.

They have sent out flyers to the community informing them of the need for volunteers to help form a swim team. There was a response of 10 people to form a steering committee. A pizza party is planned for 11/8/87 at 4:30 in the Club House. Another attempt to attract kids will be made in January with a pool party at the YMCA if possible. They would like to budget to cover the expenses of exploring the possibility of the swim team.

Greg Plifka suggested that the club explore the way for getting the necessary equipment for the swim team. The lanes, coach etc. The costs may be in the \$5000 range. Some of the facilities may have to be temporary, decking off the point, cantalivered from the shore? Approval and the team is needed by June to get into the league this next year.

The Board appropriated a budget of \$200 for the swim team exploration. A report of progress will be given at the Annual Meeting.

ANNUAL MEETING

The nominees for the board are: Diane Faruolo, Angela Mahler, Margie Mills, Bob Drummond, Grace Baconr, Ron Mishkin and Virginia Conk.

The meeting will be December 4, 1987 8:00 pm Club House. The ballot and the notice will be sent out by Margaret on November 6, 1987.

DOCKS

Doug Hartman has requested that the area by the ramp be dug out about 10 yards to make the area deeper. The board approved \$500.00 for this to be done.

Jane said that Bill would supervise a teenager to clean up the area in the dock spaces of cans, bottles etc. The board approved \$150.00 for this.

TRUSTEES MEETING continued

PORTHOLE

George Mills has said that he will not be able to continue to do the Porthole. Ginny will do it with Jane's help next month but we need someone to take it over.

BUDGET

Peter Garland is working on it and we will have it before the annual meeting.

SOCIAL

Sue Essig reported that the New Year's Eve Dance had not really gotten off the ground as yet.

Phil suggested that something should be put together for this. A Disc Jockey or a band, set-ups and beer no food so that the people who would like to come to the club for New Year's Eve can still do so, and the cost would be held down for the club and for those who come.

NOMINATING

George Mills has suggested that a statement of facts by each of the nominees be made and sent to the club members. He would like to have the club pay the postage.

A motion was made that George will assemble the fact sheet about the nominees and the Board will pay for the postage to mail it.

All in favor.
