COMMODORE'S MESSAGE

Dear Members,

I have received many remarks how the beach looks this year. Once again I thank everyone who participated in the overall effort. It is a direct reflection of LFYC members pride in the club. The handball court has been resurfaced. We encourage its use for tennis, handball, etc. only.

Please give me a verbal commitment if you will be playing golf on Sept. 10. I need a firm head count by Aug. 15 to reserve enough starting times. I am sure everyone will enjoy the day.

On June 2nd the informal welcome party was well attended. Over 50 adults and about 20 kids enjoyed a fun night.

Based on the *Season Kick Off/Sign-Up Night*, this summer should be very busy at the club. Dan has a full schedule of swim lessons and lifeguard training. Tennis and sailing lessons are scheduled. Cathy DeSena has many activities planned for the beach. Both Cathy and Dan have put a lot of energy into the programs. I am sure it will be successful. Have a great summer.

Glenn DeSantis, Commodore

LFYC CLUB NOTES

A few boat slips are still available. If you know of anyone interested—whether member or non-resident—please call the LFYC office.

★ A **Lake Forest Golf Outing** is in the works! Golfers will be teeing off on Sept. 10 starting at 10 AM at the Rolling Greens Golf Club (Newton-Sparta Rd., Newton). \$43/golfer (incl: green fees, cart, BBQ after, soda & beer). We can play a scramble or our own, whatever the majority of golfers prefers. Call Glenn for details -3542.

★ The **purchase of Liffy Island** by Jefferson Twp with funding from a federal Clean Lakes grant, Morris County and New Jersey looks like a reality after years of negotiation that made residents feel like spectators at a tennis match.

Supporters saw the purchase as stopping further degradation of water quality in Woodport Bay, preservation of Lake Hopatcong's "most viable fish spawning area", protecting wildlife habitat and wildlife diversity, providing a "passive recreational area", and preserving the last large shoreline vista on the lake.

Pursuant to the third article of the Lake Forest Yacht Club Master Lease, annual rental charged shall be adjusted every five years, based on the purchasing power of the dollar. The lease specifies that the level of purchasing power of the dollar shall be ascertained from the Consumer Price index published by the Bureau of Labor Statistics.

Accordingly, you will find that the Master Lease rental charged to owners south of Espanong Road will be \$23.00 per quarter (\$92.00 per year), and the Master Lease rental charged to owners north of Espanong Road will be \$46.00 per quarter (\$184.00 per year).

This increase is 21% based on the figures from August 1990 to August 1994, and will become effective July 1, 1995. The last increase in July 1990 was 26.6%

Very truly yours,

Lake Forest Yacht Club Board of Trustees

JEFFERSON TOWNSHIP DAY IX COMING SATURDAY, JULY 8

Lake Forest is very pleased to announce that John Weitz is Head Coach of the Lake Forest Swim Team for the 1995 season. The team is very fortunate to have found an experienced coach with his background and skills. Head age-group Coach of the

Lakeland Hills Y's boys team John has also been the Head Coach of the Longhorn Swim Camp at U/Texas and Asst. Coach Texas Aquatics, U/Texas. He is a poli sci grad of Drew University with an MA in Education from Montclair State, as well as former resident of Lk. Hopatcong and Viking Swim Team member.

The swim team schedule of meets is included in the Porthole's centerfold calendars of events for July and August. We hope that Lake Forest will turn out to support us at our home meets July 15, 19, 26, 29 and Aug. 2. LYME DISEASE STILL A THREAT IN THE REGION

Lake Forest residents and neighbors gathered at the Clubhouse just about a year ago to learn about prevention, diagnosis and treatment of Lyme disease. Steve Levinson, Director of Health and Welfare of Rockaway Twp (and a Lake Forest resident), and Dr. Ed McManus, infectious disease specialist practicing at St. Clare's and Dover General Hospitals spoke to an audience that included those concerned about the growing incidence of reported cases in our area, as well as a large number of already diagnosed sufferers. That threat has not lessened during the year, however perhaps our concern has. It should not have—the threat of contracting Lyme Disease in our own yards and the surrounding woods is still real.

No bigger than this • the deer tick which carries the Lyme disease spirochete may be effectively thwarted by using a repellent containing DEET on clothing and exposed skin, and by a thorough check of one's body after time outside. Deer ticks are found in grass and low brushy areas—a description which fits many of our own backyards. While DEET is an effective repellent its safety has come into serious question. Your best preventive action remains checking your skin after time outside for the small insects.

The tennis court is intended for the use of all members of LFYC, however, in order to accommodate all members, the following regulations will apply:

Open tennis time will be 1.0 hour play, on the hour; i.e. 8am – 9am.

All members must wear an LFYC member badge when playing on court. All guests must wear a LFYC member badge on court. No exceptions.
