COMMODORE'S MESSAGE

As the new Commodore I would like to wish all members of the community a prosperous and Happy New Year. A traditional part of entering a New Year is for individuals to make resolutions to improve or to do things differently in the new year. I think we as members of the Lake Forest Yacht Club should make some resolutions for the New Year as well.

1. Resolve to be more positive. If we see things that bother us instead of complaining about what is wrong suggest solutions for improvement.

2. Resolve to be more active members and participants and support club sponsored events.

3. Resolve to treat Club property as if it were your own. Remember that we have to pay others for maintenance we don't take care of ourselves.

I look forward to working with everyone in the community and making this a prosperous 1990 for the Lake Forest Yacht Club.

Andy Bethune
Commodore

NURSERY SCHOOL NEWS

HAPPY NEW YEAR! We hope 1990 is a healthy one for everyone. We had great Christmas parties. Our tree was decorated with our glittered initials, Rudolph Red Nose Reindeers and mittens. We've been busy elves and have had many holiday projects that were lots of fun.

Thank you for your support of our Entertainment Book sale and raffles. We have a new raffle starting January 19. If you'd like a ticket, please call Robbie (1383) or Donna (1241).

MUNCH! MUNCH! MUNCH! The ICE EATERS Are Here!

The Trustees are pleased to inform the membership that the new "Ice Eater" system, which will protect the LFYC docks from the ravages of Lake Hopatcong's ice, is fully operational.

A WORD OF CAUTION the "Ice Eaters" keep the water moving around the dock pilings so that water there cannot freeze, therefore give the dock area a wide berth if you are out on the lake for winter sports and fun. **THE AREA AROUND THE LFYC DOCKS IS VERY DANGEROUS.**

THE WAY WE WERE

FIRST IN AN OCCASIONAL SERIES OF NOSTALGIC LOOKS AT LAKE FOREST AND OUR AREA, CULLED FROM LAKE FOREST AND JEFFERSON TWP. HISTORICAL SOCIETY ARCHIVES.

At left is a copy of one side of the original brochure advertising building lots to buy in a brand new community proposed by the Arthur D. Crane Co.

Below is a blow-up of the top photo which was an artist's conception of the Lake Forest Club areas. Note the exaggeration of the actual Club property to the right of the clubhouse, the traffic plan as conceived for Yacht Club Drive and the elaborate facilities including 2-story clubhouse, swimming pool, 2 tennis courts, cabana on the point and heavily wooded homesites.

(The PORTHOLE would appreciate photos from residents which chronicle "the way we were...". Please call Marlene at -4649 for more information. All photos will be returned.)

NANCY'S PIZZA & SUBS

Lakeside Shopping Center
Rt. 15, Lake Hopatcong 663-4400

7 days 10am - 11pm
Entrees average \$5.00

Nancy's Pizza has been serving its scrumptious pizzas to Lake Forest and the surrounding communities for as long as most of us can remember. Nancy's was opened 17 years ago by Steve Bartek who owns it to this day. For most of that time Steve's son-in-law Frank Negri has operated the pizzeria and restaurant, and today Johnny Rosenski is the manager.

Pizza is Nancy's mainstay complemented by a menu that includes subs and homemade Italian dinners. Nancy's homemade lasagna and eggplant parmigiana are two of the local favorites.

Nancy's has created a few pizzas with unique toppings that are made just one day a week. The "Pizza of the Day" specials include Au Gratin (potatoes, onion, ricotta & mozzarella cheeses), Chili (hearty recipe with a topping of cheese), Hawaiian (Canadian Bacon & pineapple covered with cheese), Vegetable (all fresh veggies & cheese) and the Meteor (meatballs, pepperoni, salami, prosciuttini and, of course, cheese). Call Nancy's before lunch or dinner to find out which special is on for the day. You can

Frank Negri (left) and Johnny Rosenski pull hot pizza out of the oven at Nancy's Pizza.

sample the Pizza of the Day at lunch time when slices of the special are hot and ready.

And yes, Virginia, there really is a Nancy--she's one of Steve Bartek's daughters, but not Frank's wife!
