## COMMODORE'S MESSAGE

Dear Members,

This year's Spring Edition of the Semi-Annual Meeting will be held on Friday, May 3rd at 8:00 pm. A quorum must be present by 8:15 in order to conduct official business. I encourage everyone to attend to be brought up to date on current affairs, discuss any issues you might have, and get out to see your neighbors.

We ask everyone to come out and help us on Clean-Up Day, May 4th. Over the last couple of Clean-Ups Days we have managed to accomplish a great deal on improving the exterior of the property and now we need to focus on the interior of the buildings. This year we also want to get the catwalk and weed curtain up to avoid the large amount of weeds we usually get on the beach. Please come on down to the Club and lend a hand on the 4th.

Andy Bethune, Commodore

**Bring your back to a Chiropractor . . . before your back brings you.**

Many people discover Chiropractic the hard way — when they are in severe pain and in need of immediate relief.

Pains in the back, neck, arms, shoulders, and legs are often caused by "subluxations" (vertebral misalignments).

But subluxations can also cause problems that may not result in immediate pain. By irritating nerves, they can diminish the nerve supply that flows to all the major organs of your body.

And without a full nerve supply, your body is susceptible to illness and disease.

Fortunately, many people today are discovering that an ounce of Chiropractic

arrange for a special introductory consultation.

prevention is worth more than a pound of cure.

Chiropractic adjustments correct subluxations and keep your nerve energy flowing freely, helping to prevent pain, illness and disease from occurring in the first place.

That's why you'll find lots of people in Chiropractors' offices these days without even the slightest back pain. They've discovered this safe, natural, drug-free method of getting well and staying well.

So don't wait for a backache to bring you to a Chiropractor.

# SWIM STROKES LAKE FOREST SWIM TEAM NEWS

The Lake Forest Swim Team's March 17 meeting accomplished quite a bit and then some. Treasurer Ed Kolton reported that Building Fund monies were coming in and urged everyone to send in their envelopes too.

The coach selection committee, Bayla Kolton, Greg Plifka, Tom Morris and Harry Moore, reported they had set criteria for coach hiring, received resumes from prospective coaching staff members, set a deadline of April 1 for receipt of all resumes and set a target of April 10 for coach hiring.

Subcommittees have scheduled the following fundraisers to raise money for swim dock building: a GARAGE SALE on May 18 run by Donna Gonabe and Leslie Plifka; a SWIM-A-THON at the West Morris YMCA on June 15 run by Jim Bashant and Marlene Genaud; HOAGIE SALE run by Liz Greene

and Linda Leondi; and an off-premise 50-50 run by Ann Moore and Dee Pirrello.

Tuition for the swim team, which includes league registration, coaching, and stroke and turn instruction has been set at \$50. for the first child in a family, \$40/second child, \$25/third child, \$15/four or more children. A one-time family Building Fund payment of \$50. has been assessed. (Fees are refundable if your child decides that competitive swimming isn't for him/her.)

The Lake Forest Swim Team has been fortunate to reserve pre-season swim time at the Randolph YMCA, on May 18, 25, June 1, 8, 15, and 22, for new swimmers to learn about competitive swimming and swim teams and to meet the coach, the Swim-A-thon and pre-season practices.

# LFYC TRUSTEES MEETING MINUTES

March 12, 1991

(Minutes are synopsisized, For a complete copy, please see Margaret at the LFYC office.)

**BEACH** A representative from Allied Biological attended the meeting at the Trustees' invitation to explain what LFYC has done in the past to combat weeds in the swimming area and to discuss options for the coming season. Diquat will again be applied this year, however copper sulfate to treat the algae that forms in the lagoon area will also be applied. Allied's contract will allow for more than one application, of either or both chemicals, if needed. The beach will have to be closed for 24 hours after each application of Diquat. The first treatment will be in May or June and the next may be needed at the end of July or early August.

**VANDALISM** After a couple of incidents of unauthorized entry of the Clubhouse and vandalism to Nursery School equipment the Jefferson Twp Police were called in to investigate. At the present time Officer Hart is in charge of the investigation.

**ALARM SYSTEM** The Nursery School is going to have a hard-wired fire alarm system installed in the Clubhouse. At the same time a security system could also be installed. A Trustees subcommittee will look into the cost of the security system.

**TAX APPEAL** Bob Drummond reported that the appeal for tax reduction has been refused. The next step is to go to the tax assessor and then to the county tax board. It was suggested that the Club might do well if a registered and certified tax appeals person were hired to represent the Club. Margaret and Paul Murray will check on qualified individuals.

**CLUBHOUSE** Water is still seeping up in the foyer and storage closet. A number of causes are being investigated.

**ACCOUNTANT** Accounting services will be provided by Harry B. McGough, Jr for 90-91.

**DOCKS** Written estimates to repair ice damage to C dock have not been received. It was suggested that another pile be driven at C when LF Swim Team is having some pilings driven. Greg and Margaret will check into this possibility.

# NURSERY SCHOOL NEWS

Everybody in Nursery School is into recycling after hearing Mr. Jim Peters, Jefferson Township's Recycling Coordinator, tell us all about the 3 R's: Reduce, Reuse, Recycle. Mrs. McGraw taught the youngsters a new song — We've got the whole world in our *hands* — to help them remember to do their share of taking care of the earth.

The children's CARE package to Saudi Arabia was received with much happiness by many service women in the Gulf. A big thank you to all the families who participated from Major Kathy Allen USMC (Katie Pilewski's aunt).

We extend an invitation to everyone to attend our Child Safety Program on April 11 at 7:30pm at the Clubhouse. Red Cross representatives and LFNS parents will present this program on making life safer for our children.

Happy Spring from ALL of us!
