*Commodore's Message*

COMMODORE'S MESSAGE

Autumn--Reds, golds and browns, piles of leaves to be raked on brisk Saturday afternoons. These are the sights to be seen in Lake Forest. Its a lovely time of year!

Regatta week-end started off badly because of Saturday's rain, but Sunday's sunny skies brought out lots of spectators. I'd like to thank all the Lake Forest residents who came out and volunteered their time. A special thanks must go to Ed Ross for chairing this event again this year. Ed puts in alot of time and work and we really appreciate it. The figures are not all in yet, but a full report will be given at the annual meeting, which will be held in December this year.

The board has been busy getting the budget ready for next year and preparing the buildings for winter. Reports are also being put together to ease the transition of the new board members in December. These reports will contain outlines of what has been done this past year, pending projects for next year, as well as a month to month schedule of rountine projects.

Before closing I'd like to note the sudden passing of Doris Dahlmeyer. Doris was a lovely lady and will be sadly missed in the Lake Forest community. In her honor the board has decided to plant a tree on the club grounds and dedicate it to the memory of both Doris and George Dahlmeyer. We hope you all agree that this is a fitting tribute to two very nice people.

Thank you!  
Patti Owens

NEWSWATCH

\* \* \* \* \*

As promised in last month's PORTHOLE enclosed are three (3) letters randomly addressed to three (3) different Morris County Freeholders objecting to the siting of an incinerator in Jefferson Township. If you are opposed to having an incinerator in Jefferson please sign each copy and mail them as soon as possible. The number of people who register their opposition is of greater importance than the economic or ecological facts.

Last month's PORTHOLE reported that the NJDEP (Dept. of Environmental Protection) recommended a previously rejected Rockaway Township site for the new Morris County landfill. After 2,000 Rockaway Twp. residents met to protest the recommendation the state quickly dropped that recommendation and urged the county to look at the previously rejected #2 site in Mt. Olive. (The previously rejected #3 site is in Roxbury at the sw foot of Lake Hopatcong.)

a non-partisan committee of concerned residents and officials has been formed and funded by the Jefferson Twp. Council and Mayor. The committee meets weekly with the twp. atty and consultants to work out a plan of action should the Bechtel report recommend a Jeff Twp. site for the county's incinerator. The Bechtel report is scheduled for late November completion.
