COMMODORE'S MESSAGE

Dear Members,

Let's all pause and breathe a sigh of relief — the holidays are finally over! After the whirlwind of activity the last few weeks it will be nice to sit back and relax for a while. Just remember that by the time you read this message there will only be about 350 shopping days left until next Christmas.

Our New Year's Eve Party at the Club was a great success! The evening was filled with great people, wonderful food and music that kept everyone *movin' and shakin'* I do believe there were some tired feet by the end of the night and I thank those who stayed to assist in the clean-up. A special thanks goes out to Ginny Conk and Warren Pym who helped make it all possible.

Well Valentine's Day is just around the corner and we will celebrate at the Club with the return of the Trustee's Brunch. This has always been a nice opportunity for members to come out of hibernation and get together during the winter. So why not treat the ones you love while letting someone else do the cooking. Look for details in this issue.

Although the water off B & C docks is not that deep the Ice-Eaters are on none-the-less. Please use caution in that area. Also, children should be reminded to keep off the cat-walks. They may be wet or icy which makes them hazardous to anyone walking on them.

Looking forward to the coming year. Happy New Year from all the Trustees.

Paul Murray, Commodore

LFYC TRUSTEES MEETING MINUTES

Dec. 8, 1992

(Minutes are synopsisized, For a complete copy, please see Margaret at the LFYC office.)

MISC. QUESTIONS FOR THE TWP. – Leak from Water Main/Meter Twp. Admin. Robt. Cutter attended meeting to discuss resolution of chronic problems with water leak from underground meter in parking lot. Twp. Water Utility would like to see installation of meters in Clubhouse and Galley to eliminate problem. Question regarding whether Club or Twp. has paid for digging and plumber in past will be researched by Mrs. Dam. Additional discussion needed on need for 1 or 2 meters and how to bill for seasonal use of Galley. **Harbor/Commodore Land** Per members input at '92 Annual Meeting Mr. Cutter was asked whether twp. would be interested in land for well siting. He doubted if construction of well is possible because it is a wetland. He suggested that Trustees write to Council and Mayor requesting Twp. acceptance of land.

FINANCIAL – Trustees reviewed performance of '92 Accountant McGough.

DOCK LEASE – Question raised at Annual Meeting regarding dock lease has been checked independently by 2 Trustees, who reported that it is standard and will hold-up.

CATWALKS – Steve Uranyi submitted estimate for repair to some of boards on B & C docks, but reported that barge w/pile driver will be needed for other repairs. Estimates were received from Prospect Point Boatyard for doing work on 15 ft. catwalk w/new float. Trustees voted to go ahead w/Uranyi and Prospect Pt repair jobs.

NURSERY SCHOOL NEWS

December was an exciting month for the children. Although their days in school were less than other months more excitement is packed into December than almost any other (graduation in May takes first prize for excitement and anticipation).

The children in nursery school learned about the special holidays which are celebrated at this time of year. December saw a special visitor to holiday parties (guess who?). The children learned about the tradition of giving at this time through our Mitten Tree: each child brought a pair of mittens, which were hung on our classroom tree. Those mittens were then donated to needy children in Jefferson Township.

In March the Nursery School will be sponsoring a CPR course through the American Heart Association of Dover General Hospital. The course will be held at the LFYC Clubhouse. Dates will be published in next month's Porthole.
