## COMMODORE'S MESSAGE

Dear Members,

Thanks to all those who participated in last month's Valentine's Day Brunch. There was plenty of food and good company to help make the morning a success.

So far this winter has been good to everyone wanting to venture out on the lake for their winter activities. As spring approaches I urge members to use caution and common sense each time you go out. The Ice Eaters are in operation around the club-owned docks, so please be careful.

Spring also means its time to reserve your dock space at the club. Call Margaret at the office -0158 and drop off your check as quickly as possible. First time renters should also call the office and put their name on the waiting list.

Paul Murray, Commodore

We regret to inform you that Jim Jaffe passed away on March 4. We extend our deepest sympathy to his wife Shoshana and sons Ari and Gil.

## LFYC UPDATES

Members/prospective members find some LFYC terminology confusing or downright incomprehensible. Here's a short reference on the most frequently mentioned bugaboos:

**Member in Good Standing** In order to vote at the annual and semi annual meetings members must be in "good standing". For the Dec. Annual Meeting this means that by the close of business prior to the meeting a member has paid at least half of the special assessment and is current with Master Lease (paid thru 3rd quarter-Sept. 30). For the May Semi-Annual Meeting this means that by the close of business prior to the meeting a member has paid in full both the special assessment and dues and is current with Master Lease (paid thru quarter ending before the meeting date).

**Badges** In order to be issued badges a member must have all obligations paid in full: dues, special assessment, guest badge fees (if ordered); also bond account and Master Lease must be current.

**Dock Space** Dock applications will be accepted from members who have paid half of their dues, all of the special assessment, are current with Master Lease (paid thru quarter ending Dec. 30), have paid the full dock fee, and have submitted a properly completed application.

**Bond Refund** In order to receive a bond refund the following conditions must be met: a letter of resignation must be submitted to the Board of Trustees, the bond must be presented, all obligations to the Club must be current. (Obligations not current will be paid by reducing the bond value by the amount due. When the obligations exceed the value of the bond, the dues and special assessment-club obligations-will take precedence over all other debt.)

# NURSERY SCHOOL NEWS

---

The children of Nursery School had an exciting February. The PM class visited Mrs. Moneypenny, the school nurse at Consolidated. They saw the classrooms and principal's office, and met some of the teachers. Mrs. Moneypenny read a story about going to school. She also measured the whole class in her office.

February was *Dental Health Month* and in celebration of this, all the children went to Dr. Joel Moskowitz's office on Rt. 15. Everyone took a turn in the dentist's chair, learned how to brush correctly and received a goody bag of dental care products and an x-ray film. Dr. Moskowitz and his staff spent lots of time with our children and we were very grateful.

The children welcomed a new music teacher, Nancy Koch, from whom they are learning new songs and dances.

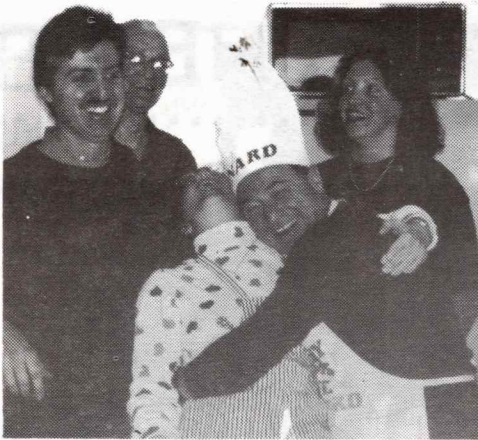

*LFNS children had a very special guest at their Valentine's Party—a purple dinosaur who sang their favorite songs with them*

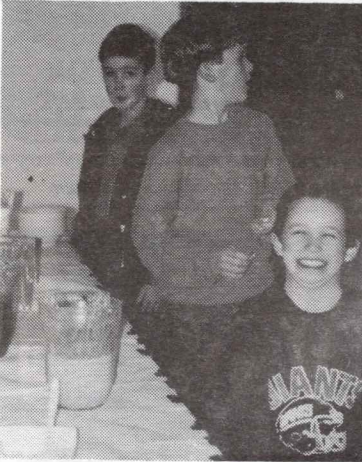

*PM children enjoy their finds on Hat Day.*

Patricia Reihl of Woodlawn Terrace treats individuals and families struggling with addictions. A nationally and state certified professional for the treatment of alcohol and drug addictions, Pat, who is also a licensed nurse, is presently employed by Bergen County as the director of a halfway house, and sits on the Professional Advisory Committee of the Commissioner of the NJ State Dept. of Health.

Pat notes that "the addiction process takes on many guises," and whether chemical, gambling, eating, shopping or of relationships, all manifest similar behaviors. Families and individuals who suspect or believe that they are caught in the addiction process benefit from the intervention of an outside professional. Pat, who has been in private practice for eleven years, provides counseling services in the Ledgewood area by calling 584-2692 and in the Lake Hopatcong area by calling 663-1062.
