COMMODORE'S MESSAGE

Dear Members,

Now that the Super Bowl is behind us, we can turn our attention to matters of substance and depth—hockey, basketball and oh yes, spring training!

In all seriousness, this is a good time to focus your attention on the club and the coming year. Take a moment and ask yourself the following questions:

- Are you satisfied with the type and number of activities at the club?
- What type of activities would prompt you to be more active?
- What could be done that's never been done before?
- What could be done to improve the club property?
- And finally, what role would you play in making these things happen?

Last year was a good year for the club, this year can be even better! Don't sit on the sidelines, play an active role in the club's success.

Just a quick reminder, the Trustee's are waiting to serve you on Sunday, February 14th. Bring the family and enjoy a relaxing morning with friends and neighbors. In order for us to get some idea of the number of people attending, reservations are preferred.

...and don't forget the annual tennis party coming up soon, see Bernard Genaud for details. An active month is coming up for LFYC—be a part of the fun!

Paul Murray, Commodore
