COMMODORE'S MESSAGE

Please make every effort to join us for the Family Picnic on August 7. This day has always been a special one and we look forward to another successful day this year.

Because of the Picnic, the PortHole is being circulated earlier than usual this month. We have not had a Trustee's Meeting since the last publication date. I am, therefore, short on news and accordingly short on copy. That will probably not be a disappointment for most of us.

I can, however, report that our park benches have arrived and thanks to the two Doug Hartmanns, have been assembled and placed with the assistance of our guard and his truck.

Paul Sabia, Ray Reinhagen, Ken Leach and Butch Mahler have been working tirelessly to get the beach and property in order. The slide is back in place, a concrete foundation has been installed to anchor the curtain and the diving platform will soon have new boards and ladders. Thank you, Bob Trafford, for removing the old board stanchions and ladders.

Ed Ross promises us magnificent weather and a safe and successful race weekend. Mary Rainey is synthesizing the suggestions for Club beautification.

Everyone who has undertaken any task this year has done so energetically and successfully. I believe their efforts are manifest.

Manny Fanarjian

FAMILY PICNIC

Volunteers are needed to paint signs - please come to the next regatta meeting or leave your name at the office.

Regatta Meeting for all committee chairpersons. 7:30 pm. August 12.

Potshots & Pleasantries

After several months of procrastinating I am finally sitting down to commend, complain & question some of this year's LFYC activities.

First of all I'd like to commend the clean-up weekend chairman. Often I've heard of volunteers coming down for 2-3 hours of work and finding no one who knew what had to be done. This time, as far as I could tell, there was a lot of organization on the part of the individual chairmen and as soon as someone showed up they were put to work.

Also the steak out was a good time. Food and Music made for an enjoyable evening.

Complaint time: I'm tired of constantly hearing people complain about and using nursery school as their scapegoat. As far as I can see, having a nursery school can only be a plus to the community's image. Even before I had children in our nursery school I recognized its advantages as far as increased value to my property.

My question is in reference to the imminent installation of the high dive. From the talk I've heard the water depth, in spite of the dredging, still isn't considered to be sufficient to be safe. What is considered to be safe and by whom? What experts have been contacted? Also how much money will it cost our community to buy and install this thing and will it cost us any additional funds for insurance? How often and at what expense will we have to re-dredge to keep the depth safe? Will the supervision of this diving board over-tax the present lifeguard staff?

With these new questions coming to light I would like to propose delaying the purchase and/or installation until formal discussion and vote can be taken at the November meeting.

Penny Mariano

Summer 1982 Recreation Notes

- Aug. 2-6 (10:00-11:15) Softball - Youngsters who enjoy softball will want to make it to the field.
- Aug. 9-11 (10:00-11:15) Canoeing Practice - Especially for those people interested in the canoe trip but everyone is welcome.
- Aug. 12 - Canoe Trip - Come and join us on our second annual trip down the Delaware. Youngsters 13 yrs. old or younger must come to our canoe practices and be accompanied by an adult, older brother or sister on the trip. This year's course is slightly more challenging than last year's. We will be going down "Skinners Falls". Cost will be \$9.00 per person which includes canoe rental, life jacket and paddle. Bring your own lunches, drink and snack. We will meet at the clubhouse at approximately 7:30 am. The trip takes 5 to 6 hours from the time we reach our starting point in New York. We are in need of a few volunteers to drive, but, for those who need it, transportation will be provided. Register no later than August 9.
- Aug. 16-20 (10:00-11:15) Football Clinic & Games - A review of basic skills and a warmup will precede the flag football games.
- Aug. 23-Sept. 3 (9:30-11:30) Red Cross Life Saving Course - The last chance this summer to work for your lifesaving certificate. Sign up with me on the beach. Be prompt to all classes.
- Rainy Days - The clubhouse will be open for supervised table games (hockey, ping-pong, etc.) and television.

Tidbits

*The Windlass' outdoor dining garden was the location for the last meeting of the Summer Lunch Bunch. Ten Lake Forest Ladies leisurely lunched al fresco. Some of the bunch took advantage of the lakeside location and arrived by boat.

The weather cooperated and it was a clear, crisp, sunny day with a steady breeze. A small fleet of sailboats tacked past the restaurant and provided a colorful backdrop.

The luncheon menu was varied and everyone was pleased with her selection. A good time was had by all and plans were made for our next luncheon. We will be meeting on Wed. Aug. 4 at 11:30 at the Northwood Inn.

Anyone interested in joining us on our last outing before school starts, on Wed. August 25, please call Nancy 0641.

*If any couples are interested in a monthly evening Dine Around program at our local restaurants, please call Nancy 0641.

*Experienced ChildCare in my home. Fenced-in backyard, large playroom. References available. Call Penny 4178.

*Atari home computer game system For Sale - perfect working order, console \$80, 17 game cartridges from \$12 - \$20. Package deal will be considered. Call Rich Morgan 0579.
