Commodore's Message

Hello Members,

Let's congratulate the new officers for 2006:

Commodore, Fred Stewart (yours truly)
Treasurer, Chuck Emery
Secretary, Pat Brennan

Seems like we should be preparing to put the boats in the water soon based on the warm weather we've been having. So much for that early winter we had in December, but I am sure we can expect some nice cold weather over the next month.

The Comedy Night was a huge success - a full house, plenty of food and drinks, the good company of friends and neighbors, and side-splitting comedians. Surprised to see the "guy in the plaid shirt" didn't come back for round two. Was also disappointed that the new Karaoke duet didn't take to the stage for some post-event entertainment. Maybe I need to talk to the Social Committee about staging a Karaoke night... I'm sure that would be a blast.

The questionnaire is in and we only had 38 responses - not a good response rate. The Trustees would like to thank those who responded, and we are using the data to determine the priority of the projects. Look for the results in this issue of the Porthole.

After a long run, Grace Bacorn is resigning from the scheduling of the club rentals. We are all thankful for her efforts for the many years she assisted the club with this task. On behalf of the membership, thank you Grace for all of your help.

The new trustee assignments for the year 2006 are set. The new responsibilities can be found on Page 2, within the Board of Trustee listings. Call the trustee associated with any of the listed assignments, if you would like information or would like to give a suggestion.

Don't forget to mark your calendars for the boat races on May 6th and 7th.

Keep warm and hope to see you all at the comedy night.

Your Commodore
Fred Stewart

Another Great Comedy Night

Lake Forest Yacht Club put on a fun-filled comedy night for a packed house on Saturday, January 21st. Kicking off the evening with drinks and hors d'oeuvres, the crowd then enjoyed the comedy of Tom Van Horn, a comedian on the local circuit. A break for dessert and the entertainment continued with the headliner, Mike Egan. Mike's experience included appearances on Caroline's Comedy Hour, Evenings at

Lake Forest Facilities Update by Frank Gutowski

We continue to have limited activities at the club during the winter months. Here is an update on our club facilities:

Clubhouse Roof Leak

Due to the high winds and rain we received on Tuesday, January 17th, we discovered several roof leaks at the clubhouse. Due to the leaks, the Nursery School cancelled classes on Wednesday and Thursday of that week as we addressed the damage. Jeff Phillips, LFYC member who is an expert in roof repair, assessed that the damage was due to severe cracks in the roof shingles and made the necessary repairs. He also advised us that the roof will likely leak again if additional repairs or roof replacement is not addressed. With this development, the board

will now need to consider this issue and plan the appropriate action.

LFYC Office Manager

In early January, our office manager Susan Bilyk, notified us of her resignation effective January 28th. We'd like to thank her for her time with us and offer her best wishes in her new endeavor. We immediately initiated a search for her replacement including an advertisement in the AIM action news. The search is for a qualified individual who has experience in running an office and has a proficiency in QuickBooks accounting software. If we do not have a new office manager in place by January 28th, the office hours will be suspended, with internal office operations provided temporarily by the Trus-

tees. If needed, notification of suspended office hours will be in the glass encased bulletin board at the club office.

Parking Permit Tags

Even though we are in the off-season, please remember that you must display your parking permit whenever parking at the club facility. We have signs posted that our facility is for members only and all vehicles must have a parking permit. Last winter we had many non-residents park in our lot to go onto the ice for ice fishing and other activities. We gave out warnings and had the police issue summonses to repeat violators. This year we will not be issuing any warnings. We will have the police ticket vehicles without permit tags. So, please remember to display

your parking tag whenever parking on our club property.

Lake Forest Website

We have made progress on launching our new website. Our new Trustee, Pat Brennan, has provided us with valuable assistance in securing our domain name and given us insight on the particulars of website development. One recommendation Pat had was to switch from a .com to .org domain name which would be better suited for our organization. So we have secured the .org domain name which will be www.lfyc.org. We have a new member in our community who has offered to help us design and manage the website so we expect to have it up very

soon. I will provide more details in next month's Porthole.

2006 Dock Rentals and Renewals

2006 dock rental renewal invoices have been mailed out to all members who rented slips in 2005. We already have several members requesting available dock slips for the 2006 season, so if you want a slip this season, please contact the club office. See the 2006 Dock Rental article in this month's Porthole for more details.

Club Security/ Surveillance Cameras

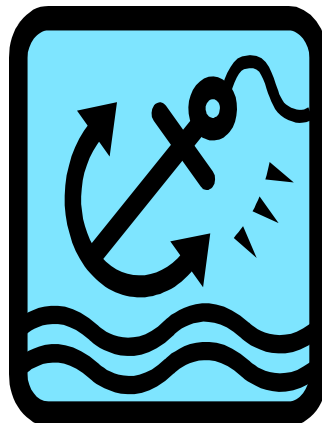

Due to vandalism on our softball field and the theft of a kayak last year, I researched the possibility of enhancing our security surveillance at the club. The improvements were to include clearer surveillance at A, B and C docks, the canoe rack and surveillance of the softball field. I had a Lake Forest resident, Jack Frucci of Lakeland Security, come in and evaluate the system and provide recommendations and a proposal. It was determined that to meet the objective, we would need to replace the current cameras, add three additional cameras and install a digital video recorder.

The project was discussed at the January Trustee meeting and it was decided not to allocate funds toward the project at this time. This decision was also based on the Capex survey responses we received from members which rated it

seventh on the list of projects members want us to pursue. So we will shelve this surveillance project for now and work on trying to improve our current system's functionality.

Spring Beach Clean-up: April 29th

Please mark April 29th on your calendar for our annual Spring Beach Clean-up (with a rain date of April 30th). As usual, we will have many projects that will need to be tended to in order to prepare our club for the 2006 season. The spring clean-up date is earlier than last year due to our scheduled Boat Races on May 6th and 7th. We will need a large turnout of members to help with the cleanup, so please come down and help us get the club ready for the summer. As we get closer to that date, I'll provide additional details as to projects we will be working on for Beach Clean-up Day.

Lake Forest Nursery School News

The Lake Forest Nursery School is in full swing after the start of the New Year. Parent/Teacher Conferences have been scheduled, for the end of January, to discuss each student's progress. Graduation planning has begun being discussed at the Monthly Parents Meeting, as well as Registration for the new 2006/2007 school year. Registration will be held on Monday, March 13th @ 6:30 PM, at the Yacht Club. The limited spots available are beginning to fill up, so if you are interested in attending the nursery school for the 2006/2007 school year, please contact Alyson Music at (973) 601-7422.

The morning class has begun tracing their own names and working on the shape of the month, the circle. Bubble painting was a fun craft utilized to reinforce the learning process. They also learned about winter, and made bird feeders. The school's Mascot, Lou, a cuddly bear and puppet, has started going home with the morning students to visit for the weekend. The students keep a Journal for Lou, based on his adventures, as well as pictures of visits with each student. The children look forward to Mrs. Bukowski reading about his weekend.

The afternoon class has been reviewing letter recognition in preparation for Kindergarten registration, held the first week in March. They are recognizing their last names, as well as writing their names without assistance. They are also working on memorizing their address and phone numbers. This class also learned about winter and worked on some science projects with ice, such as: pouring salt and water paint on a block of ice to watch it melt; ice painting; and chipping through blocks of ice to reveal dinosaurs frozen in the ice.

OPEN HOUSE & 2006 REGISTRATION

The Lake Forest Cooperative Nursery School is having their *September 2006 Open House Registration*. It will take place Monday, March 13, 2006 at 6:30 PM at The Lake Forest Yacht Club. Come visit our school, meet our staff and learn about the unique experience we offer to 3&4 year olds and their parents. Our school is open to non-members and members of the Lake Forest community. Classes meet at the Lake Forest Yacht Club (on Yacht Club Drive off Rt.181). Don't delay; space is limited in both the AM and PM classes. For more information, please call Alyson Music at 973-601-7422.

Commodore's Message

Dear Members,

It's February! I don't really know what else you can say about it, except that 6 or 8 inches of fluffy snow can be a very beautiful thing. When you get out in it and do a little sledding with the kids, it kind of makes you forget it's so cold. So enjoy it while it's here because the birds at my feeder remind me that spring isn't really that far away and it won't be long before we'll be making improvements at our Club that have been needed for so long.

Recent events at the Club were fun and informative. These included the Superbowl Party with delicious steaks, and a dominating game by the Bears; and a microwave cooking demonstration that my wife Margie tells me will allow us to fully utilize our microwave. We'll see!!

Before I close I'd like to remind everyone of two upcoming events this month. The Valentine's Day Pot Luck Dinner Dance on the 15th and the Trustees' Champagne Brunch on Feb. 23rd. Enjoy, and stay warm.

Birthday Greetings

- Happy 8th Birthday to Shane Kapusta, February 3rd.
- Happy Birthday to Greg Good, February 12th.
- Happy Birthday to Helen Gutowski, February 25th.

Congratulations

- Congratulations to Trevor Thompson who has been chosen as a People to People Student Ambassador traveling to Australia this July with select 5th and 6th graders from Morris, Sussex and Warren counties.
- Congratulations to Leigh Emery on her acceptance to Westminster Choir College. Majoring in Voice Performance with a minor in Choral Conducting, she was offered an annual scholarship by Westminster.
- Congratulations to Brooke Emery for reaching the honor roll at JTMS last term...she's working hard toward high honors for this term.

Announcements

- Leigh Emery will be singing at The Boathouse Restaurant on Valentine's Day during dinner hours. She's had previous engagements there for Christmas Eve and New Year's Eve. Check it out... she's fabulous!
- Not to be upstaged by his daughter, Chuck Emery is considering coming out of retirement to perform Karaoke. An interesting New Year's Eve debut has prompted Chuck to approach his wife, Helene (an accomplished singer), about a duet arrangement...to date, Helene has refused negotiations.

Capital Expenditure Survey Results

Surveys were sent to the LFYC membership on (2) occasions asking for input on various capital projects that the board is considering. In total, there were 38 responses. The list below shows the order of priority that the responses indicated.

IMPROVEMENTS:

1. Replace propane heating system with new oil system
2. Repair or replace Galley overhang
3. Renovate club house bathrooms
4. Renovate club house ceiling walls & floor
5. "A" dock repair
6. "A" dock replacement
7. Surveillance cameras
8. Post & chain fence around ball field
9. Post & rail geese fence at Stanley Point
10. Tennis court lights
11. Renovate ball field with striping and bases
12. Thicker tree line around tennis courts to block wind

Based on the survey results and projected cost, the projects that the board has voted to pursue are:

- Replace the heating system
- Replace or repair the galley overhang
- Major repair to A Dock

The board is in the process of obtaining and evaluating bids for the proposed projects. Look for further details in future Portholes.

Chuck:

Financial update

Profit and Loss previous year comparison presented.

Capex wish list results

Survey results were tallied and presented - only 38 submissions returned. Replace propane heating system with new oil system was number (1). Slated for execution this calendar year, Pete to head HVAC replacement. Repair or replace Galley overhang was number (2). Slated for execution this calendar year, Frank to pursue bids. Renovate club house bath-

rooms was number (3). To be postponed until 2007. Discussion ensued about moving up A dock repair (survey results number (5), due to safety issues. Frank to obtain better estimate to repair or replace partial A dock.

Chuck provided a review of the Secretary's position as it stands today.

Frank:

Porthole update

Postage rate decreased from .34 to .13 per mailing due to letter size and sorted rate. We're taking advantage of a Staples offering a 20% rebate/rewards discount due to annual commitment to be paid quarterly. The January issue had (12) advertisers; (10) returning and (2) new advertisers approached the club. One advertiser made a 1-year commitment. All non-returning advertisers were sent the latest Porthole. Discussion on rotating Trustee column. Birthday lists/ bulletin boards need content submissions.

Website project

Pat to procure rights to LFYC.org from Registrar. Pat to procure rights for domain LakeForestYachtClub.org. Recommendation to research DSL provider for office, eliminating Optonline costs netting a savings per month.

Boat race contract

Draft sent out to Trustees for their input, changes made. Final draft to be shared with the Trustee's later this week then sent to the Association for their review.

Other

Frank, presented the Trustees with a signed one year service agreement that covers off season trash removal, snow removal and clubhouse cleaning service. Contract

signed with Buddy Coutts.

Presented option to spray fields with spray to deter geese. Sprayed once per month, 5 gal concentrate makes 500 gallons at \$350 and covers 100,000 sq ft. Agreed to try Goose Stopper spray, if proven successfully we will continue coverage.

Pete:

Insurance

Peter filed claim for theft recently discovered with our bond holder, the expectation is that the claim will be covered. Our bonded policy covers us for \$100,000. This policy was unknown to the board at the time of the annual meeting.

Other

Expressed an interest to assist all Trustees' in their duties on an as needed basis.

Fred:

Commodore's discussion to trustees

Fred asked that each Trustee self-evaluate their performance on the board and progress on their personal tasks taken on in behalf of the club and if they feel they are not meeting up to the obligation that they first ask for help from their fellow trustees, and in the worst case decide to step down from the board. Please ensure that any commitments made by each board member be fulfilled prior to committing to additional tasks.

Other

Fred distributed Lake Forest Yacht Club By-Laws, prior to the changes voted in during the last annual meeting.

Club member expressed some concern about the babysitting provided during the annual / semi-

annual meeting and the cost associated with it. Fred made mention to charge \$5/3/2 per child to baby sit, concessions can be made for hardship. Frank made mention to ask the life guards to perform babysitting duties for their regular wage. Chuck, felt club should pay. Fred made motion to offer free babysitting at the annual semi-annual meeting and for the club to pay up to 2 persons \$10/hour for said babysitting. This in an attempt to stimulate better attendance at our annual and semi-annual meetings. Chuck seconded. Unanimous approval. Notice to go out in Porthole prior to meeting.

Meeting adjourned 10:15 pm.

Next Trustee Meeting: February 9, 2006, 7:00 PM

Note: These minutes are condensed, for publishing in the Porthole. Please contact the LFYC Office to view a full set of minutes.

2006 Season Dock Rental Information

The club office has mailed out the 2006 dock slip rental invoices and rental agreements to all members who rented dock slips in 2005. The 2006 dock rental fee for members is \$410. If you plan on renewing for the upcoming season, please return the completed and signed rental agreement along with a copy of your boat registration and payment by March 15th 2006. Also, please indicate if there is any repair issue that you feel needs to be tended to regarding your slip.

If you have no intention to renew your dock slip for the 2006 season, please contact Frank Gutowski so that he may reassign the slip to another member. We already have several members requesting available dock slips this season.

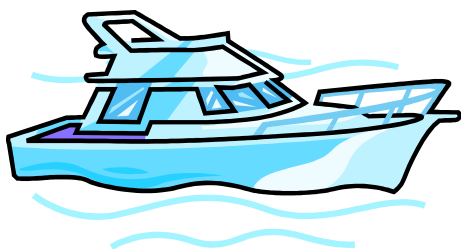

Since we only have seventy-six dock slips, we will limit dock rentals to one slip per member family until March 18th to accommodate as many members as possible. As is club policy, dock slips will only be rented to members whose financial obligations to the club are current, have completed a signed rental agreement and provide a copy of the boat registration indicating member ownership of the

boat. All of the above criteria will be required before LFYC approval of dock slip rental or renewal.

For new members or members renting for the first time, we will have at least twelve open dock slips for the 2006 season. If you'd like to rent a dock slip for the 2006 season please contact the club office at 663-0158 to request a dock rental agreement. The open dock slips will be reserved on a first come first served basis for members who meet the above rental criteria. Actual slip assignments for new renters will be determined starting March 16th, after member dock renewals are confirmed.

Members who would like to rent a second dock slip may do so after March 18th. On April 1st, all remaining open dock slips will be made available to non-members at a rental fee of \$1,000.

Any questions or comments regarding 2006 dock rentals should be addressed to the LFYC Dock Master: Frank Gutowski at 663-2059.

Letters from Lake Forest Members

Dear Members;

Thanks to all who have begun submitting items for the **Lake Forest Bulletin Board**. I would also like to thank the various contacts in the community for providing me with timely and thorough submissions as well as our business advertisers for their support.

We've received lots of positive feedback on the "new" Porthole format, but obviously will need the continued help of all to reach our goal of becoming a more informative and community friendly resource.

Keep on sending!

Sick of Dentures?

They Actually Make You Sick!!!

**“Studies show that dentures cause you more damage than Good!
A Local Dentist will provide you with brochures on what causes these problems and
how to stop being part of the Denture Epidemic!”**

New Jersey. A local dentist has studied the effects of dentures on your everyday health. It has been Proven that Regular Dentures not only cause more bone loss leading to a worse fit, but can cause stomach and nerve problems.

All Denture wearers talk about the embarrassment of wearing adhesives, the smell, loosening, falling out, making you gag.

In the past doctors have told people that there was no help or nothing they could do.

The advancements in dentistry allow you to have a life without the hassles of dentures and the freedom to eat virtually anything you wish.

It is time to get healthier, get rid of embarrassment and eat normally again.

Why waste another dime on that old denture or buying another one with the same problems?

Call and get the Free information, no obligation.

Please call for a complimentary evaluation and brochure:
