COMMODORE'S MESSAGE

Dear Members,

One phrase that certainly depicts the summer of '93 to date is HOT! HOT! HOT! As a result activity at the beach is booming. If you're one of the few we haven't seen this summer, it's not too late—come on down and join in on the fun. We will have an end-of-the-season picnic on Labor Day weekend much the same as we did last year. Anyone wishing to volunteer for that activity can leave their name with Marilyn Agresto or in the office.

Last week's Steak-Out was a success. Although we were small in number everyone enjoyed the food, dancing and liquid refreshments. **Three cheers** for Picnics Unlimited which did the catering, and to Lou Suffredini of Star DJ's who picked just the **right** music for our dancing pleasure.

Hoping the rest of the summer proves to be as good as the first half, see you around the Club,

Paul Murray, Commodore

We regret to inform you of the passing of Mason Keller. Mr. Keller, of Crescent Drive, was very active in the early days of Lake Forest, serving as Commodore in 1961. Mr. Keller is also remembered for his key role in stopping the proposed jetport on Bowling Green Mountain.

TOWNSHIP TIDBITS

Albert the Clown will appear at 7 PM at the Jefferson Twp. Library on Weldon Rd. celebrating Clown Week. Call the library for info.

A free concert featuring the 16-piece orchestra and vocalists of **The Sound Factory** will be held at the J. T. High School Field at 7:30 PM on Aug. 6. Sponsors are the Rotary Club of Jefferson and the Jefferson Arts Committee.

The Jefferson Community Players will present **Me & My Girl** at the J. T. High School auditorium August 12-15, 20 and 21. Advance tickets (call 697-8108 or 7304 by Aug. 11) are \$8/adults, \$5/sr., students and children. At the door tickets will be \$10/adults, \$6/sr, students, children. All performances are at 8 PM, Aug. 15 matinee at 2 PM. A dinner/theatre package is available featuring The Inn at Jefferson Square.

The Lake Hopatcong Regional Planning Board has established an **Information Hotline** at 398-0384 to disseminate information about the lake and to receive messages/inquiries concerning its programs. Recorded information will include weed harvesting and weed herbicide dates and treatment areas. Weed harvesting operations were scheduled to begin about June 28 in the State Park area. Subsequent harvesting areas will be determined based on weed growth.

'93's ANOTHER WINNING SEASON FOR LAKE FOREST SWIM TEAM

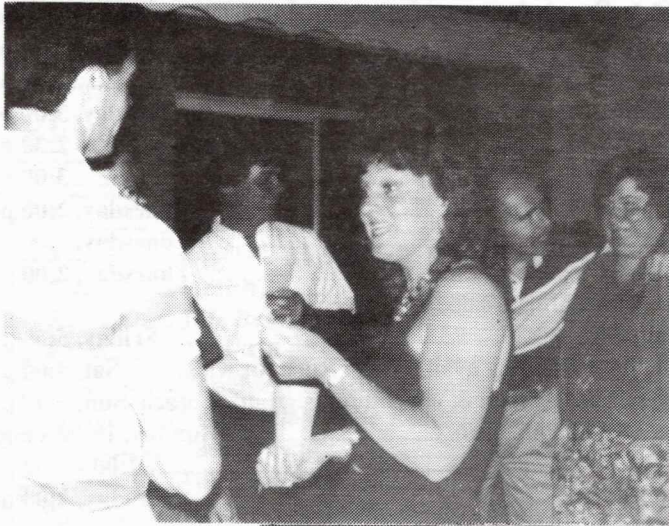

Lake Forest's mighty swim team is churning northern New Jersey's lake waters for another winning season. After a second place league finish in '92 our swimmers have been working hard on meeting or beating that record. Here are the results thus far this season:

Randolph 226 - LF 215
 LF 227 - Shongum 227
 Roxbury 269 - LF 174
 LF 261 - Mendham 182
 LF 232 - Shore Hills 173
 LF 221 - Lk. Shawnee 210

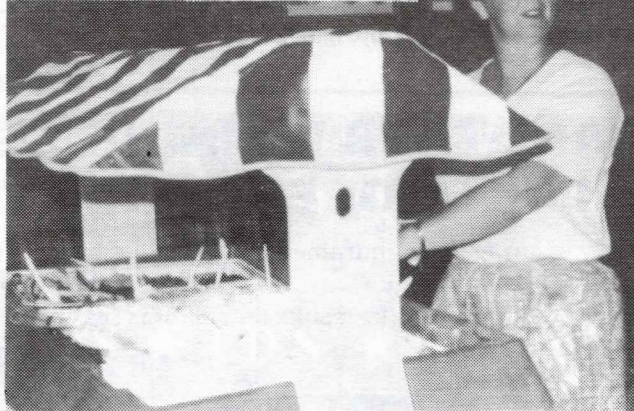

The team invites all members to come cheer them on at their final home meet on Wed., August 4 when they will swim against Hackettstown. The meet begins at 6 PM (finish approx. 8:30 PM.) Come watch us make waves!

Discovery Toys - Sheryl Martin

I joined Discovery Toys because it was an excellent opportunity to have a home-based business with flexible hours and still spend time with my daughter Sarah. I like talking with and sharing ideas with parents and their guests through home demonstrations and giving away so many great free toys! It's wonderful watching our children having fun and learning through Discovery Toys. The educational toys, games and books for ages newborn through 12 are high quality, colorful and creative. The toys are all safety tested and have a one-year warranty.

Want to know more? To have a Discovery Toys demonstration, the hostess invites parents, friends and relatives, serves light refreshments and the Discovery Toys educational consultant demonstrates the toys, as the guests play and have fun. The hostess receives free toys based on the amount of purchases.

Discovery Toys also offers fund-raisers for schools and businesses, as well as catalog sales. For businesses a "Tote of Toys" is available—your customer's children stay happy and busy while the adults shop. For more information, call me, Sheryl Martin, at 663-3616

LFYC TRUSTEES MEETING MINUTES

July 13, 1993

(The following minutes are synopsised. See Margaret at the LFYC office for a complete set.)

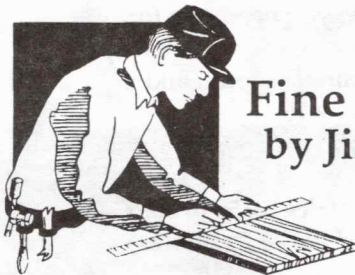

BEACH Discussion on controlling use of beach and facilities for member use only. Guards need to check more often and enforce rules. Those who bring non-member residents to beach or give them their guest badges may have membership suspended. Motion passed that non-profit groups of 6 or more must hire LFYC lifeguard if group will be swimming after regular hours.

BALLFIELD Field may be used by members, but reservations may not be made. No alcoholic beverages are allowed on the field.

BUDGET Trustee Garland has submitted proposed 1994 budget. It will be reviewed next month.

MASTER LEASE Review of status of Master Lease delinquent accounts shows more than \$8,000. has been collected since Trustees began to place liens against delinquents. An incentive for delinquents to pay before lien is placed has been Master Lease Section #5 "Lien for Rents" which states that those monies due and payable shall not only be a lien on the premises owned by the lessee in Lake Forest, but shall also be a "personal obligation" of the lessee, thereby affecting any other property owned by the lessee.

MAINTENANCE Reviewed floor cleaning & perimeter floor repair estimates for Clubhouse ballroom. Joe Russo was chosen to repair floor. Cleaning deferred to later date. Redecoration of Clubhouse discussed. Trustee Conk will have meeting of those interested in helping with project & coordinate with LF Nursery School. Al Hutchins has completed new dry well for galley. New hot water heater and below-the-sink grease trap discussed. "Ice Cream Mothers" requested Club replace inoperable freezer in galley & Swim Team should organize equipment to leave more space.
