COMMODORE'S MESSAGE

Dear Members,
Spring? I think someone forgot to inform Mother Nature. Winter has given us one last kick with know and cold weather. Keep your fingers crossed, this cna't last forever.

The Club is having the diving platform resurfaced so please use cution if you're walking around the beach area. Also scheduled for replacement are the windows in the Commodore's Room in the Clubhouse. I fyou have ever stood near them on a windy day you will agree this is long overdue.

The Five-Year Plan committee had their first meeting and threw out some sound ideas for improving the Club. This is a great opportunity to be involved in the future of your Club. I encourage members to be involved. If interested call Pete Garland for information on the next meeting.

Our semi-annual meeting is scheduled for Friday, May 1, with Clean-Up Day on Saturday, May 2. We can never have too many people on Clean-Up Day, so please come on out and give us a hand.

Easter is just around the corner, so don't eat too much candy and try to remember where you hid all the Easter eggs the night before. From myself and all the Trustees, Happy Easter!

Paul Murray, Commodore

Bring your back to a Chiropractor . . . before your back brings you.

Many people discover Chiropractic the hard way — when they are in severe pain and in need of immediate relief.

Pains in the back, neck, arms, shoulders, and legs are often caused by "subluxations" (vertebral misalignments).

But subluxations can also cause problems that may not result in immediate pain. By irritating nerves, they can diminish the nerve supply that flows to all the major organs of your body.

And without a full nerve supply, your body is susceptible to illness and disease.

Fortunately, many people today are discovering that an ounce of Chiropractic

prevention is worth more than a pound of cure.

Chiropractic adjustments correct subluxations and keep your nerve energy flowing freely, helping to prevent pain, illness and disease from occurring in the first place.

That's why you'll find lots of people in Chiropractors' offices these days without even the slightest back pain. They've discovered this safe, natural, drug-free method of getting well and staying well.

So don't wait for a backache to bring you to a Chiropractor. Call our office today and arrange for a special introductory consultation.

ERIKA AND ROBIN FARUOLO RAISE SEEING

Marnie, that's the name of the new puppy at Faruolo's home on Ripplewood Drive. Puppies are always a special addition to a household, but *Marnie* will bring some unusual pride and pleasure: she'll one day aid a blind person to be more independent.

One Feb. 29, thirteen-year old Erika and nine-year old Robin welcomed *Marnie* to the home she'll share with them for 12 to 14 months. While the girls and their parents, Tom and Diane, are enjoying having *Marnie*, she is not like a house pet—the Faruolo girls had some training of their own to learn before they could begin to train the puppy. There are no backyard tow ropes at Faruolo's — *Marnie* must be walked on a leash. Erika reports that she's required to have *Marnie* sleep at the end of her bed each night. And when they go away or she is sick they have to take her back to the 4-H center.

Erika and Robin are looking forward to *Marnie's* graduation and getting another puppy to raise for the Seeing Eye. While it won't be easy to give her up, knowing how their initial training will help someone else to gain more independence will be quite a return on their year's investment of time.

LANE LINES — NEWS OF THE TEAM

The 1992 summer season is rushing toward us and the board has been hard at work preparing for it. We have had several board meetings. Here are some of the key points:

PARENTS MEETING The season's first parents meeting will be held on April 8 at 8 pm at the Clubhouse. Parents of all prospective swimmers should try to attend. Information on all aspects of team organization will be addressed for new and returning parents.

SCHEDULES The swim meet schedule has not yet been set by the league but we're predicting a first meet about July 1. Coach Agresto has compiled a detailed summer practice schedule available now. And the YMCA practice schedule is in place for May 9, 16, 30, June 6, 13.

REGISTRATION AND FEES Tuition is the same as last year: \$50/1st child, \$40/2nd child, \$25/third, \$15/fourth. This year there will be a \$15. registration fee, and for first time families, the one-time/family \$50. building fund. Registration Night will be Sunday, April 26 between 6:30 and 8:30 pm at the Clubhouse. In addition to registration and tuition payments; league, team and medical forms; we will have a swim suit try-on and ordering session.

FUNDRAISING Our major fund raiser this year will be an Argyle's Fish Fry on June 28. We'll also be have 2 Hoagie Sales, meet income, and possibly a bake sale.

Anyone who would like more information about the team is encouraged to call me at 663-3082 or stop down at the office for an unabridged version of *Lane Lines*. Of course, the best source of information will be the Parent's Meeting on the 8th. See you there. Jim Bashant, President
